- Guidance on Prayer Entry at church on Sunday....
- Rev does not want anyone in the church until he opens the doors at 11:00.
- I will allow only two families in the church at a time...1 to pray and the other to get ready to pray..
- While outside we ask families to socialize at a distance of 10 feet apart
- There will be envelopes for all to leave their tithes and offerings. Rev also ask that when you see this ..begin calling others in the church family to ensure they are staying in touch. I have to take these measures to keep you safe and to ensure I am in line with the Bishops directions.
