

OISE Commitment

OISE Members Are Committed to Ohio

Our mission is to develop and promote programmatic, operational, and transparent standards that improve outcomes and resources in the fight against Substance Use Disorders (SUD) in Ohio. At the heart of our mission lies our core values, our membership criteria.

OISE Members Deliver the Gold Standard of SUD Treatment

- Ensuring that pharmacological interventions are a treatment option supported by evidence.
- Providing a trauma-informed approach to care, honoring people's unique experience.
- Coordinating and ensuring access to all needed health, relational, and social services.

OISE Members Prioritize the Dignity, Wellbeing, and Autonomy of Individuals Struggling with SUD

- By practicing harm reduction to mitigate the negative impacts of substance use.
- By ensuring a non-punitive environment for treatment, and never expelling for return to use.
- By lifting up the value of shared lived experience by integrating peer support.

OISE Members Actively Partner

- With policy makers, to provide subject matter expertise to drive quality, accountable care.
- With advocacy groups, to ensure excellent customer service, communication, and outcomes.
- With all stakeholders, to collectively build and strengthen recovery-oriented systems of care.

OISE Members Practice Continuous and Open Learning

- By reporting metrics to demonstrate accountability and engage in ongoing improvement.
- Through ongoing training and professional development for staff to ensure a highly engaged, "top trained" workforce, and providing ready opportunities for advancement and growth.
- By regularly reviewing and incorporating newly-released research findings into operations.

OISE and Our Members Stand Ready to Partner with You

We see the above criteria as a starting point, and we will continue to collaborate and refine, to ensure a shared vision of operationalized quality. Contact us: jonas@sudexcellence.org or 859-512-8691.
