Dear Parents and Guardians,

It is our obligation to inform you that Hangar5, LLC is not licensed or regulated by the Department of Children and Family Services (DCFS). We do however maintain an Exemption Certificate through the state of Illinois that must be approved/renewed every two years and must meet the requirements stated below. Our program meets the exemption guidelines by only providing care to school age children during out-of-school times or when school is not normally in session.

Exemption requirements that our facility must meet:

- Compliance with the Illinois Department of Public Health
- Fire Standards of the Illinois State Fire marshal
- Emergency Preparedness Manual including required drills
- First aid kits on-site with monthly inventories
- Liability Insurance Coverage
- Working telephone on-site at all times
- Emergency phone numbers posted for emergency services and parents/guardian information up to date and available
- “No Firearms” sign posted at all entrances and statement that no firearms are allowed on the premises
- Background checks and clearance requirements obtained through Illinois State Police, FBI, Illinois Sex Offender Registry, and Child Abuse and Neglect Tracking System for all employees and Volunteers
- Maintain parent/guardian forms and procedure for recordkeeping and disposal for privacy and confidentiality
- Maintain records of parent/guardian written authorization for medical care
- Comply with the Illinois Department of Human Services Rule 50.820 and 50.830 on staff qualifications and required training
- All staff are First Aid, CPR, and AED Certified

I acknowledge/understand that I have been advised and understand that the facility and program is not licensed or regulated by DCFS. I also acknowledge that firearms or weapons of any kind are not allowed on the premises by staff, parents, or students at any time.
