

February 2018

Dear Partners and Friends,

Matthew 9:37-38 “The harvest is abundant, but the workers few. Therefore, pray to the Lord of the harvest to send out workers into his harvest.”

I am in the United Kingdom for a month of ministry before heading to Myanmar. This trip to Myanmar is special for a couple of reasons. I will be ministering at a church convention in the Chin State of Myanmar. These churches are some of the first contacts we had with Myanmar back in 1987. I spoke 14 years ago at one of their conventions and they have requested that I return after all these years. I will also be ministering in the Mandalay area with Daniel and Sophia who we support. They are graduates of our Bible School in Yangon and are planting churches among people who have never heard the gospel before. This will be my fourth time ministering with them.

Testimony from Daniel and Sophia in Mandalay.

“Father, I would like to testify about sharing the gospel at Christmas. We celebrated Jesus in many places and God used us amazingly with the Holy Spirit working. God opened up a new village and we are invited to share the gospel every week. Many people in that village are very interested to hear about Christ. We believe that God will give us new believers this year. We thank the Lord for what He has done in our life. Father, we really thank you for your prayers and funds. They have made a difference in our mission. I want you to be joyful and happy with us so that I testify to you. We look forward to your return visit.”

Please pray for the Myanmar outreaches.

1. For safe travel. One part of the journey is a 40-mile ride by car and it will take over 3 hours.
2. For Mary, as we will be apart for two months.
3. For an increase in partners.
4. For a mighty move of God in every meeting.

Thank you for standing with us! May God bless you abundantly!

In His Service,

Roger and Mary King
