

March 2018

Dear Partners and Friends,

Thank you for your prayers and support and for standing with us in this ministry. We are receiving good reports from Roger King's ministry in the UK. In March he will be ministering in Myanmar. We appreciate your prayers for him as he will be away for two months arriving home before Easter.

As Spring approaches, we begin to think about planting seeds in our garden for flowers and vegetables. Let us remember to continue to plant the seed of the Word of God in our hearts and minds to produce the success and victory we all need in our lives. We have seen the result of the seeds we have planted in Myanmar for over 30 years produce much fruit in many lives. The result has been many church plants in remote and unreached areas with new believers added to the church. Reaching the World Bible College has produced many ministries going out and evangelizing and starting new churches.

The Children's Home has changed many lives and taught them about the love of God.

Hebrews 4:12- "For the word of God is living and powerful, and sharper than any two-edged sword,"

We received this testimony from Abraham who oversees the Children's Home.

"Joshua who was in the first group of children at the Children's Home has now graduated from RTW Bible College and will get married the end of April. His fiancée has also graduated from the Bible College. After they get married they will help me in the ministry. We are very happy and proud of them."

We are so blessed to see their faith and knowledge of God's Word carry on to the next generation. God is faithful, and His Word will not return void.

Please pray for Roger King as he has a very busy schedule. Pray for his strength and health as he travels to rough and remote places in Myanmar. Pray for divine favor and open doors and hearts as he preaches and teaches the Word of God.

Luke 10:2- "Then He said to them, "The harvest truly is great, but the laborers are few; therefore, pray the Lord of the harvest to send out laborers into His harvest."

We appreciate your faithful prayers and support. It is a great blessing to have Partners who have a heart for missions and stand with us.
