

January 2019

Dear Partners and Friends,

**Psalms 2:8- “Ask of me, and I will give you the nations for your inheritance.”**

We pray that 2019 will be a blessed and fruitful year for you and your family. We look back at 2018 and are grateful for our partners who helped us to achieve a successful year of evangelism and teaching on the mission field. Already 2019 is setting up to be another busy year with many new challenges.

Every year we like to give special gifts at Christmas to the children and again this year we were able to bless them. Many of the children are older now, so we like to let them go to the markets and purchase their own clothes. Remember when you were a teenager you did not want to wear what mum or grandmother bought you.

Myanmar children showing off their new clothes.

Children at the Water park as a Christmas treat.

In Kenya the children shopping for new clothes and new shoes.

### **2019 Prayer requests**

We have some big challenges this year. The Bible College building in Yangon needs to be rebuilt as it is no longer safe to house the Bible College.

An increase in partners is needed due to changes in some of our partners circumstances and they are unable to continue supporting us due to age, retirement and a change in their living situations. We understand and completely support their decisions. Our budget for 2019 has been decreased by 25%. We have been blessed with wonderful partners who have stood with us for 20, 30 and 40 years of ministry. It has been a privilege to have them in our lives.

How you can help? If you are not a partner, please consider becoming one. If you are a partner already, introduce us to others with a heart for missions and pray for an increase in our finances. We desire to see the younger generation receive an understanding and a heart for missions and supporting missionaries.

In 2019 we are already scheduled to be ministering in England, Northern Ireland, Denmark, Myanmar, Kenya and in the USA. Last year was very busy and Roger was away from home and the office for about 7 months of the year.

### **Planning for 2019**

**Matthew 9:37- “*The harvest is truly plentiful, but the laborers are few.*”**

In His Service,

Roger & Mary
