

November 2018,

Dear Partners and Friends,

Thank you for your prayers and support. We appreciate all that you do for us and the mission projects. This time of year, as we celebrate in the USA Thanksgiving we are reminded how blessed we are and thankful for our partners who stand with us. We wish you and your families a very special time together this Thanksgiving!

Psalms 79:13- “So we, Your people and sheep of Your pasture, will give You thanks forever; we will show forth Your praise to all generations.”

Roger and Mary will both be travelling during the month of November in Switzerland; the UK and Roger will be in Kenya. In Switzerland we are working with Bill Kaiser ministries at a conference ministering to missionaries working in Europe. Roger will be ministering at two leader's seminars in Kenya one with the Masai leaders.

Please pray for open hearts to the Word of God and the move of the Holy Spirit among them. Please pray for travel safety and protection and all financial needs to be met.

We want to remind everyone that we are starting to collect the funds for the Children's Homes Christmas gifts. If anyone would like to contribute to the Christmas gifts, we will send the extra funds out in December for them. In Myanmar every year the children do a special outreach in their neighborhood to sing carols and share the gospel. They invite the community to their Christmas church service. This is a special event for them and they enjoy Christmas so much. This year we have six new children whose parents were killed fighting in Shan state with the Burmese army and their village was burned to the ground. We want them to experience the joy of Christmas with their new family. Please pray for these six new children as they adapt to a new life and heal emotionally.

You are a blessing not only to us but to many people in many places. May God bless you abundantly!

n His service,

Roger and Mary King
