

September 2018

Dear Partners and Friends,

Thank you for your prayers and support. We are so grateful to have partners to stand with us in our mission work. We have received many good reports from the Children's Homes in Myanmar and Kenya and we want to share about it in this month's newsletter.

In July Roger and Isaac spent time at the Children's Home in Myanmar. They took photos of each child and spoke to them individually. They also ministered to them as a group. The children are doing very well at school and are healthy and learning the Word of God. We now have 42 children and are planning on adding a third floor to the Children's Home in Yangon, Myanmar. We are very blessed by their progress at school and their growth spiritually.

One of the girls from the Myanmar Children's Home, Mercy who is 18 is attending a school to learn to make clothes. She is very excited to have this opportunity to learn this skill. Mercy sends her deep appreciation to all our partners for giving her this opportunity. Mercy has been with us from the start of the Children's Home in 2008.

We received good reports from Kenya that the children are doing well and excelling at school. Joseph has just finished High School and has been accepted at Nairobi University. He will start this month. RTW has helped to pay for his High School fees which requires going to boarding school in Kenya. Thank you to our Partners who have made this possible. Joseph is so grateful to have this opportunity. Please pray for Mercy and Joseph as they start a new chapter in their lives.

Roger and Mary will be ministering in the States in September in Missouri and Texas. In October and November plans are being made to be in Switzerland the UK and Kenya. Please pray for wisdom and guidance and open doors of ministry as they plan the next couple of months.

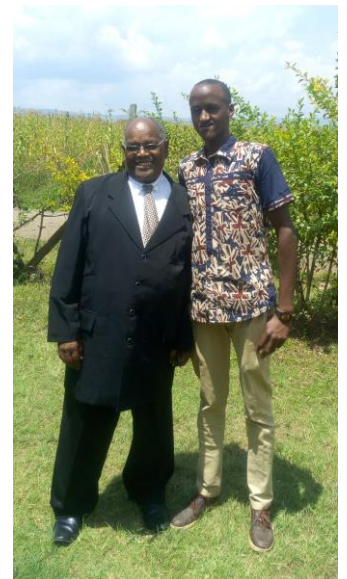

3John 1:4- "I have no greater joy than to hear that my children walk in truth."

In His service,

Roger & Mary King
