

August 2018

Dear Partners and Friends,

Thank you for your prayers and support. July has been a very fruitful month. We are receiving many exciting reports from Roger and Isaac King's trip to Myanmar. Thank you to everyone who gave a special offering for Isaac to be able to go and minister with Roger. Roger was so blessed to have Isaac work alongside him.

Reaching the World has helped to establish six churches in Myanmar, one in Yangon, three in Shan State, one in Chin State and one in Mandalay. We also support three missionaries, two in Kachina State and one in Rykhine State. This was part of our vision to take the Gospel to different and remote areas of Myanmar.

Roger and Isaac both taught at the Reaching the World Bible College in Yangon. It is rainy season and the heat and humidity made teaching all day challenging for them. Roger said that it really helped to have Isaac share the load and do half the teaching.

They also went to the RTW Children's Home and spoke to all the children and took new photos. Roger and Isaac split up in Yangon and ministered at two different churches for a Sunday morning service. Then they flew to Lashio for two days of meetings, five hours during the day and an evening meeting. They drove seven hours to Mandalay and ministered two days in Mandalay before taking a flight to Bangkok to start the long journey home.

Isaac said that he was amazed at the amount they were able to accomplish while they were there. He was impressed at what RTW has accomplished and established over the years, built solid on the Gospel and the teaching of the Word of God. It was a very fruitful and productive trip. Isaac is grateful for the opportunity to see the work and connect with the leaders and ministry in Myanmar.

***1Corinthians 3:7- "So then neither he who plants is anything, nor he who waters, but God who gives the increase."***

Thank you for standing with us and making this mission work possible. God bless you abundantly and give you increase!

In His service,

Roger and Mary King
