

April 2020

Dear Partners,

Words can not express how grateful we are to each of you. Your faithfulness in these trying times has allow us to continue with our projects even though our travel has been restricted. ***John 16:33-*** "These things I have spoken to you, that *in me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world.*"

I encourage you to stay in the Word of God and the Spirit and walk with God. He is faithful and will see us through.

Praise reports:

We have been able to get the children in Myanmar the new beds that they needed. This is what Abraham who oversees the Children's Home has said. *"Thank you so much for your email. I didn't even think you would be able to send even this amount of funds as bad news has been heard around the world. But thank God for his faithfulness and amazing blessings through you. We can't stop thanking God for you. We do understand the current situation of the whole world. But we still can be assured our God is always bigger than any problem. And we are His special children purchased by His blood, and His very own people, called by His awesome name."*

"We are very proud of you especially for planting seed in our hearts. I do remember your preaching especially from the last three years on "Faith for the end times". I have studied again from my notebook, and I am very encouraged."

One of the graduates from our Bible College, Elijah went to Rakhine State and within three years he has led 50 people to the Lord and has started a small church in the village. Our director was able to go there the first of February and hold a seminar. Rakhine State has been in the news concerning the Muslims and Burmese Army fighting.

Though our meetings are on hold at the moment, you can see that the Word of God is still going forth and producing fruit. Thank you so much!

In His service,

Roger & Mary
