December 2019

Dear Partners and Friends,

**We wish you a Merry Christmas and a blessed New Year in 2020!**  
**Colossians 1:3-4 “We give thanks to the God and Father of our Lord Jesus Christ, praying always for you...and of your love for all the saints.”**

The past two months have been very busy and a great blessing. It was made possible because of your obedience to God. It started with attending and being a team member at the Time of Refreshing in Switzerland where we were able to help bless 50 missionaries working throughout Europe. (Picture of missionaries and team.)

The next two weeks we were in England ministering before heading off to Myanmar. Mary stayed in England and continued to minister there while I was in Myanmar.

We have been ministering in Myanmar for 32 years and have seen the fruit of the Word of God going forth and be established. We are blessed and thankful for partners like you. It was an honor to teach and train national ministers teaching over 60 hours in 3 Bible Schools and 2 Seminars. I am grateful I had the strength to do so, even in very hot conditions with no a/c. Thank you for your prayers and support!

Every trip more doors open to minister in new areas. This trip was no exception. I was asked to hold a seminar for Dr. Michael in the KaChina State near the border of China. He said he has known about us for ten years. Already more requests are coming in to minister next time I am in the area.

I was able to visit the children's home and even meet with a few that have now grown up and are working and living on their own. At one meeting one of the girls sang a special song for me before I spoke.

Thank you to all those who gave towards the Children's Home Christmas gifts. We are sending Christmas funds so that each child can shop and purchase some clothes for themselves. This is a special time for them to celebrate and share Jesus with their community.

**Thank you for standing with us! You are a great blessing to many people!**

In His service,

Roger and Mary King
