

February 2020

Dear Partners and Friends,

Thank you for your prayers and support. We have looked back at our progress and accomplishments for the last year and we are encouraged and blessed with the results. Together we have accomplished these things and I believe your reward is great in heaven.

***1 Corinthians 3:8- “Now he who plants and he who waters are one, and each one will receive his own reward according to his own labor.”***

I have been ministering in Pennsylvania and Michigan in January. It was a great blessing to have fellowship and prayer times with lifelong friends and churches. While I was in Michigan, we had a Reaching the World Directors meeting and we discussed the mission projects and our goals for this year. I will continue to teach and train national leaders and ministers in Conferences, Churches and Bible Schools in Africa and Asia.

The Children’s Homes have been a great success because of our child sponsors who have made these long-term projects possible. There are many children in Kenya from the Children’s Home who have completed their education and training and are now working and supporting themselves.

Theresa and Elizabeth went to hair dressing school. They both finished the course and are now working as Hairdressers. Patrick is working as a head chief at a tourist hotel. Deborah works for the phone company. John trained as an Electrician and finished his course and is working as an Electrician. We are so blessed by these results and thank you for making this possible. High School and training courses are very costly in Kenya but when we see these results, it is well worth it.

Please pray for me for wisdom and guidance as I plan my trips for the upcoming year and for all the financial needs of the ministry to be met. I will be ministering in Arizona in March, in the UK in May and in Myanmar in July.

In His service,

Roger & Mary King
