All of that for only \$5 per light with wedding DJ package.

\$9 per light without DJ package and no mileage if within 25 miles of Brookings, SD...and must rent a minimum of 16 lights.

## Headtable and Cake/Gift Table Uplighting

Depending on the length of your table, this will require 4 to 10 cans to make your backdrop or cake/gift table really pop.

## Full Room or Ceiling Uplighting

Most venues will require a minimum of 16 lights to complete this style of uplighting.

Ceiling Uplighting can take a few more lights to complete, but will totally wow your guests. Usually a minimum of 24 lights.
