Every One The Using Kind!

WELCOME

The Sperry Family (L to R):
Mike Uetz, Marcia, Kanon, Tamra, Robert and Kolby

The Sperry Ranch welcomes you to our 21st Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 3. They come from lines including Paddy's Irish Whiskey, Peptoboonsmal, High Brow Cat and Mr. Sun Olena. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until **Tuesday, August 12**, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available with Trula Churchill 402-376-6637 with Plains Horizon Equine Insurance.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. High Plains Veterinary Clinic will be on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Whiskey is a talented well-bred stallion. He is an own son of Paddys Irish Whiskey of the 6666 ranch in Texas. His dam was raised at the 6666 out of an own daughter of the Mr Sun O Lena. We are roping on his foals and they are athletic and very willing. Whiskey has been hauled in the heading and heeling to jackpots and rodeos. He has been Kolby's heel horse at the high school rodeos. We haul him with our geldings and mares and is very well mannered.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Rain" for Rainin Whiskey and "CB" for Little Cat N Boom.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "Q" year. That's why all our foals this year have a third name that begins with an "Q." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

▶▶▶▶▶ ROPING & GOAT TYING CLINIC ▶▶▶▶▶

For the past 17 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Eighteen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Here is one with cow sense on top and speed built in the genetics on her maternal side. This mare can get up, run and put you where you want to be. She has been hauled and roped on at the local jackpots in the heeling and has spent a lot of time in the practice pen. She has also been started on the heading side. Her sire, Montana Easy Move, has had numerous money earners in the arena and Cody rode and owns the '21 NDRA Heel Horse of the year by him.

to shoe, bathe and haul. Has been used outside and has tracked the Smarty. Home raised by Ingalls Angus of Wyoming. He has a good back and withers, great bone and foot, and wears an O shoe. Should mature to 14.2 HH and 1,080 lbs.

Sven is a sharp-looking 15.2 HH, bay roan gelding with the kind of build, color and handle that turns heads. He's smooth, steady and seasoned – used extensively for all aspects of ranch work. We've been heading steers on him, and he takes it all in stride. He stands quiet in the box, scores well and leaves flat. No nonsense – just a good, honest gelding. All business when it comes to ranch rodeos and picking up. He can even carry a flag. Curb-side mount and built to go all day. Always ready to go to work. Sven has excellent ground manners, is easy to shoe, load and haul, and stays quiet without being buddy sour. He's been working full-time at Whiteman Cattle Co. since April 2024, and proves himself daily. Contact Lee for more information or to come see him in action.

Walter is a sharp-looking 3-year-old red roan gelding with a solid start and a bright future. He's been ranched on the right way – drug calves to the fire, sorted pairs and seen real ranch work. Handy and good-minded, he shows all the signs of becoming top-tier. He's soft in the face, responsive and started right. Honest and willing every day, with no buck and a calm, trainable attitude that makes him easy to get along with. He's ready to go in any direction: keep him going as a ranch horse, finish him as a rope horse or just enjoy riding a kind young gelding with all the right fundamentals.

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale. And thanks to Tracey Koester, Cow Camp Promotions, for designing the ads and catalog.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,
The Sperry Family

Bud Sperry

"Old Cowboy" Memorial Scholarship

The family of Kyle "Bud" Sperry Jr. established a memorial scholarship in Bud's honor. The Bud Sperry "Old Cowboy" Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2025.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past 13 years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added "Old Cowboy" to the name as a tribute to Bud's era and his friends.

The Sperry family awards two of the scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for "Team Cinch" in 2012-13 by being a standout in the state of

North Dakota in both academics and in the rodeo arena. One of Kelby's goals was to earn a Bud Sperry "Old Cowboy" Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member

must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses' website, www.sperryhorses.com.

Recipients of the Bud Sperry "Old Cowboy" Memorial Scholarship will be announced on Sunday in Bowman at the State North Dakota High School Rodeo Finals.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions and memorials will ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry or Dixie Schaffer for more information.

Thank you,

The Sperry Family
