22nd Annual Performance and Production Sale
SUNDAY, AUGUST 9, 2026

Sperry Ranch, Trotters, ND

Every One The Using Kind!

WELCOME

The Sperry Family (L to R):
Mike Uetz, Marcia, Kanon, Tamra, Robert and Kolby

The Sperry Ranch welcomes you to our 22nd Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 and 3. They come from lines including Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat, Mr. Sun Ole-na, Epic Leader and First Down Dash. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

Robert, Marcia and Russell
Sperry

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. If a horse is returned, the buyer will receive 75% of the purchase price as credit in next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until **Tuesday, August 11**, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available with Trula Churchill 402-376-6637 with Plains Horizon Equine Insurance.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. High Plains Veterinary Clinic will be on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.

Little Cat N Boon is sired by the 2001 NRCHA World Champion Boonlight Dancer who has combined earnings of \$180,000 plus. His offspring have earned nearly \$2 million in the NRCAH and NCHA combined. His dam is sired by the immortal Highbrow Cat and is an NCHA money winner in herself. Little Cat N Boon was started in the cutting program and graduated in to a ranch horse sire. He carries all of the greats in his modern pedigree along with a stellar disposition, a great red roan color and a tremendous size and conformation. We are pleased with his crop of foals.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Rain" for Rainin Whiskey, "CB" for Little Cat N Boon, and "Epic" for Vitally Epic.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "R" year. That's why all our foals this year have a third name that begins with an "R." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

Whiskey is a talented well-bred stallion. He is an own son of Paddys Irish Whiskey of the 6666 ranch in Texas. His dam was raised at the 6666 out of an own daughter of the Mr Sun O Lena. We are roping on his foals and they are athletic and very willing. Whiskey has been hauled in the heading and heeling to jackpots and rodeos. He has been Kolby's heel horse at the high school rodeos. We haul him with our geldings and mares and is very well mannered.

From the day we purchased E as a yearling, he has done nothing but impress us. His intelligence, athleticism, speed, and willing attitude have made him a pleasure to develop, and he continues to exceed our expectations. Kanon has done a great job riding and starting him, and it has been exciting to watch E's natural talent and outstanding disposition shine through. E's pedigree is stacked with proven performance horses. On the top side, he is sired by Epic Leader, who earned more than \$170,000 in limited arena competition and has been a top-tier head horse for team roping legend J.D. Yates. His granddam, Firewater Fiesta, was a world-class barrel horse and accomplished head horse, bringing an exceptional combination of speed, athleticism, and versatility to his lineage. On the bottom side, E's dam traces back to the legendary First Down Dash, adding another generation of elite speed and performance genetics to an already outstanding pedigree. We believe E has all the qualities we look for in a stallion – proven bloodlines, athletic ability, intelligence, trainability, and an exceptional personality. We are incredibly excited about what he will contribute to our breeding program and can't wait to watch both his performance career and the next generation of foals carry on his remarkable genetics. This is the first year we will offer foals sired by E.

For the past 18 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Nearly 30 kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Vanilla is a gorgeous 2020 palomino gelding with the kind of presence that turns heads everywhere he goes. He's been ranched on, sorted cattle, and traveled plenty of miles outside – and he makes every ride enjoyable. He's the type that walks out with purpose, and when you drop the reins, he settles into that easy, swinging stride everyone loves. Vanilla is a smart, sensible gelding with a kind disposition and a smooth way of going.

His lope circles are effortless, soft, and comfortable, making him a pleasure to ride whether you're working or just covering country. He's the kind of horse that feels good underneath you and stays steady no matter the job. He's also coming along as a head horse, showing the right mix of athleticism, rate, and willingness. Vanilla has been one of Robert's favorite mounts, and that alone speaks volumes – he's a genuinely cool horse that fits into a program with ease. A pretty, enjoyable, and versatile gelding ready to be someone's go-to. 15 HH

Froggy is the kind of young gelding you appreciate more every time you swing a leg over him. He's been used on the ranch and knows what a real day's work feels like — drug calves to the fire, sorted cattle, and held a herd without getting flustered. He's gritty, dependable, and steps up when you need him. In the arena, Froggy is coming along nicely in both calf roping and breakaway. He runs to a calf with confidence, stays honest in the box, and gives you a good, solid stop. He's the type that learns quickly, tries hard, and doesn't make a fuss about new jobs. A high school kid that is visiting the ranch for the summer ropes a lot on him. 14.2 HH

Stella is your go-to ranch horse, head horse and breakaway horse. Here's a mare you put with the geldings or anyone else and have zero marish issues. She's been hauled to the jackpots in both the breakaway and heading and also a handful of rodeos on each side and hasn't made a mistake. If you want one with all the run that can also rate, this is your mare. You can ride her in any level of roping, then take her outside and she'll be your favorite ranch horse. She's been Grady's main mount the last two years to drag calves on all day or ride at the feedlot and never give up. If you want one a young kid can ride, then put an older person on, don't look any farther. Call Garrett for more info.

He is a smooth-moving, athletic gelding with a great disposition – runs hard, catches his leads easily, stays soft and stops well. He's been hauled to WSTR events on the heel side and is ready for someone to finish him out. He's fast enough to run in the 12.5 and patient enough to compete in the 7.5. Rip has been used to doctor cattle and has seen many miles in the pasture, as well as started in breakaway on the dummy. He's a kind, good-looking horse that would suit so many people. He is eligible for the Riata Buckle, Gold Buckle Futurity and Royal Crown Roping. The Western Heritage Classic Ranch Horse sale topped out at \$170k to a half-brother to Rip. Offspring on the top side of Rip's pedigree don't come up often, and are making waves through the sales world when they do, so don't miss out on this opportunity.

What I like most about Popcorn is his willingness and natural ability. He has handled everything asked of him with a good attitude and continues to progress with each ride. He carries himself with confidence and shows the kind of athleticism and trainability that should make him an outstanding head horse prospect. By sale day, Popcorn will have 60+ days of riding, outside miles, and should be tracking the sled, giving his new owner a solid foundation to build on. Ride her daily or give her six months off and she will be the same every time. She has been a go-to since we got her. She's been used for every aspect of ranch work – branding (drag, forks, head & heel), calving, dragging the sled, pairing, gathering, loading trucks and has even headed and heeled out of the box some. She has been used in many ranch rodeos and has no issues with dogs, four-wheelers or other machines. Little One has been ridden by a 70-year-old all the way down to an 8-year-old. Runs out on pasture with mares and geldings. She is in her prime to keep using and even get some fancy colts out of. Good to shoe, wash and tie. 15 HH, 1100 pounds. Cactus Jack is one of those geldings that's easy to spot in a pasture – pretty, eye appealing, and put together the way you want one. He's been a true ranch partner, drug calves at brandings, sorted pairs, and held cattle with a calm, sensible mind. He's seen a lot of country and handled every job asked of him. Cactus Jack has been Kanon's main mount, and that says a lot. He's the kind you can take anywhere, trust in any situation, and rely on day after day. Smart, steady, and willing, he makes the work smoother and the long days easier. In the arena, Jack has been started as a head horse, showing good rate, a confident move across the pen, and the kind of attitude that makes training enjoyable. He's a genuinely good horse – the kind that earns a spot in your string and stays there. And if barn favorites matter, Tamra's pick should tell you everything you need to know. 15.1 HH

Bob has drug calves, doctored yearling, gathered big pastures and drug cattle into the trailer. He's been started on the heel side and has a natural stop. He's gentle enough to pack baby calves and has the mind that makes him enjoyable to use every day. Whether you need a dependable ranch partner or a young rope horse prospect with a solid start, Bob has the experience, mindset and ability to fit the job.

Bud Sperry

"Old Cowboy" Memorial Scholarship

The family of Kyle "Bud" Sperry Jr. established a memorial scholarship in Bud's honor. The Bud Sperry "Old Cowboy" Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2026.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past 14 years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added "Old Cowboy" to the name as a tribute to Bud's era and his friends.

The Sperry family awards two of the scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for "Team Cinch" in 2012-13 by being a standout in the state of

North Dakota in both academics and in the rodeo arena. One of Kelby's goals was to earn a Bud Sperry "Old Cowboy" Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses' website, www.sperryhorses.com.

Recipients of the Bud Sperry "Old Cowboy" Memorial Scholarship will be announced on Sunday in Bowman at the State North Dakota High School Rodeo Finals.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions and memorials will ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry or Dixie Schaffer for more information.

Thank you,

The Sperry Family
