# D&S Cattle Co.

**X** Located in southeastern Montana, D & S Cattle Co. ranches on Sarpy Creek in junction with Bonine Ranch, which has been in the family for 116 years. We raise cattle and horses, where horses are used throughout the ranch for everything.

We have great crew on the ranch. Jordan and Hadlie Eskew are on the lower Sarpy ranch, where the cows are wintered. Joe and Sarah Miller are on the upper Beaver Creek ranch. Keaton and Emilia Schaffer live at the Bonine House and are in charge of the yearlings. We would like to thank Knoles Performance Horses, Jeremy, Jennifer and kids for the training on Takes Alotta Metal and help on D&S Cattle Co.

We raised DNS BARO OAK here on the ranch. We also raised his mother SUPER BARO. Our nickname for her is "DOC BAR" as she had DOC BAR, top and bottom. "DOC BAR" might be our best mare con-formation wise. She is very correct and we also like her great disposition. We really like this cross and again MILLIE N DOCS OAK has not disappointed us. He is being exposed to all things on the ranch and he is going to the barn this winter. So, spring 2019 will be our first crop. We bred five mares to him. Colts will be for sale at the 2019 Sperry Sale.

Romeo White Feathers is the back bone of our program. This cremello stallion is a son of Frenchmans Guy. Romeo has proven himself in the arena as a winner, from futurities to PRCA, in several events from barrel racing, pole bending, tie down, team roping and goat tying. But one of the most important qualities he has is disposition; he has been hauled everywhere and is a well-mannered gentle man. We are pleased with his offspring as we are competing on them as well. Romeo White Feathers is nominated to the 5 States Breeder Futurity and Cowboy State Stallion Incentive.

RL Performance Horses is very excited for the future as we are crossing the daughters of Romeo White Feathers to Millie N Docs Oak and Peptos Pretty Kitty.

Romeos Got A Gun Too is the combination of the genetics of RL Performance Horses and Sperry Quarter Horses. "Shotgun" is a quiet, well-mannered 2013 palomino stallion, with a lot of cow sense. He has been ranched on a lot and we are now team roping on him. We are very pleased with his first colt crop this year. They have an easy-going disposition along with athleticism. Look for his colts at the Sperry Horse Sale in August 2019.

# RL Performance Horses

**R** Welcome to RL Performance Horses, located on the Little Powder River in Broadus, Montana. Horses have been a strong foundation for the lifestyle of Enoch and Dixie Schaffer and their three children, KayTee, Keaton and Claire. Our horses are used in every aspect of the ranch. It has been said a good horse is made by looking at the back end of a cow.

Schaffers have had much success in the arena with their horses. Enoch has won championships in the PRCA Montana Circuit two times, NRA, NRCA. All three of the kids have qualified for the National High School Finals and Junior High Finals; KayTee in the barrel racing; Keaton in tie-down roping, team roping, steer wrestling; and Claire in pole bending, breakaway roping and working cow horse. Keaton was also fourth in the tie-down roping in the NIRA for the year. We are proud of the fact that we are able to compete on what we raise.

Peptos Pretty Kitty is a 2014 chestnut stallion. He is an own son of Palo Duro Cat, out of the famous High Brow Cat, and a grandson of Peptoboonsmal. Mr Kitty, as we call him, is smart, kind and ex-tremely athletic. He has taken everything we have introduced him to – from ranch work to the arena – with ease. Mr Kitty has one colt crop on the ground and another on the way! All of his colts have a nice hip and disposition. They are showing great athleticism, willingness and a natural stop. We are excited to be introducing cow and speed into our breeding program, from the great mares out of Romeo White Feathers to our own out of Tres Seis, Dash for Cash and Beduino. We are hop-ing to have something everyone would love to have no matter what their discipline is! We have frozen semen available out of High Plains Genetics! # Sperry Quarter Horses

**K  
S**

For over 100 years the Sperry family has settled the grasslands near Trotters, North Dakota. Two things have remained constant in those grasslands – the Sperry family and horses. Robert, Tamra, Kolby and Kanon along with Marcia, work together on the ranch riding and raising horses and cattle.

Robert has had much success in the arena being a three-time NDRA-title holder and a Badlands Circuit Finals Qualifier. With his experience and training techniques, he has produced some great arena horses. With the Sperry family ranching together and using horses for all jobs on the ranch and the neighbors' ranches, a number of great ranch horses have gained successful experience. With much success we are proud to have had 14 annual horse sales to offer these horses. We like to say, "Every One the Using Kind," because we do use them everyday.
