Every One The Using Kind!

WELCOME

The Sperry Family (L to R):
Mike Uetz, Marcia, Kanon, Tamra, Robert and Kolby

The Sperry Ranch welcomes you to our 20th Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 3. They come from lines including Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat and Mr. Sun Olena. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until **Tuesday, August 13**, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available with Trula Churchill 402-376-6637 with Plains Horizon Equine Insurance.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. High Plains Veterinary Clinic will be on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Whiskey is a talented well-bred stallion. He is an own son of Paddys Irish Whiskey of the 6666 ranch in Texas. His dam was raised at the 6666 out of an own daughter of the Mr Sun O Lena. We are roping on his foals and they are athletic and very willing. Whiskey has been hauled in the heading and heeling to jackpots and rodeos. He has been Kolby's heel horse at the high school rodeos. We haul him with our geldings and mares and is very well mannered.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Rain" for Rainin Whiskey and "CB" for Little Cat N Boom.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "P" year. That's why all our foals this year have a third name that begins with an "P." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

Bishop is a standout head horse that's already making a name for himself. Kanon takes him everywhere, and Eli Lord loves roping on him. This young horse has big aspirations, and with his skill set, the stars are the limit. Bishop is good in the box, runs and handles cattle with ease, and excels in the branding pen. If you're looking for a horse with promise and proven ability, Bishop is ready to rise to the occasion. Eli said to me, "Keep him," and Kanon said, "Dad, we should keep him," and Tamra said, "Sell him. He is good!" So, we will start the sale with him. 15 HH

For the past 16 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Twenty-two kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

He is quiet in the box, leaves flat, strong from the horn, with a good face. 15HH. More photos and videos will be on Facebook: Spence Ingalls "BLUE DUCK" Album.

He rides around one handed and lopes big, pretty circles. Point him at any creek, log, ditch, etc. and he'll cross it on the first try. You don't want to miss out on this fancy horse. Chyna is Riata buckle and NRHA breeders classic eligible. This mare is safe, sound and will go all day long. Everyone in our family has ridden her and is safe for confident experienced kids. She has done every line of ranch work from big fall gathering to sorting at shipping and dragging calves to the branding fire. Chyna has a great start in the arena. We have pen roped, sled roped and tracked calves out of the box. She has shown to be calm in the box. We sent her last winter to Texas with the kids, and she also went to Cade Swor's for 45 days of breakaway. She hauls great and is a looker. This mare has lots of potential and will continue to just get better day by day. We will have a You-tube video before sale day. This is an A-Bar Ranch-bred mare. Eligible for the A-Bar Futurity and Ranching around, she is a in your pocket type of horse and very gentle. Take her to the show pen, use her on the ranch and one day breed her. This mare is slow minded and easy for anybody to get along with. She has been used at the cow sale to sort cattle and load trucks, I've roped off of her in the feed yard and on the hot heels in the arena. She acts like an older horse who has been there, done that. She's great out on the trails, crosses downfall, water. In the arena she takes both leads and has a nice soft lope and big stop. Side passes to close and open gates. Call for more information.

GENTLE. GENTLE. GENTLE! Pistol is as easy going as they come. She leads in and out of the trailer like a little lady, picks up all 4 feet, she has been hauled to jackpots from ND to AZ and everywhere in between, and will stand tied all day. She has been penned with geldings since weaned, no kicking or squealing. She stands quietly while clipped and saddles easily. We have owned several siblings of Pistol's and all have gone on to do great things. Don't miss your chance to own a Royal Crown filly. Just love her and feed her till spring and away you go.

Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale. And thanks to Tracey Koester, Cow Camp Promotions, for designing the ads and catalog.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship will award \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2024.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past 12 years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship.
