"Every one the using kind!"

WELCOME

The Sperry Family (L to R):
Marcia, Tamra, Kanon, Robert and Kolby Sperry

The Sperry Ranch welcomes you to our 15th Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 4. They come from lines including Docs Oak, Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat, Mr. Sun Olena, Smart Little Lena and Doc's Remedy. The other foals offered in the sale come from Robert's Aunt Ginger and Uncle Gary DeCock. They are out of PBR Seco Bart, Takes Allota Metal, DNS Baro Oak. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeo White Feathers, Romeo Got A Gun Too. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

Robert Sperry and Mike Uetz

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 13, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Little Cat N Boon is sired by the 2001 NRCHA World Champion Boonlight Dancer who has combined earnings of \$180,000 plus. His offspring have earned nearly \$2 million in the NRCAH and NCHA combined. His dam is sired by the immortal Highbrow Cat and is an NCHA money winner in herself. Little Cat N Boon was started in the cutting program and graduated in to a ranch horse sire. He carries all of the greats in his modern pedigree along with a stellar disposition, a great red roan color and a tremendous size and conformation. We are pleased with his crop of foals.

▶▶▶▶▶▶▶▶▶▶ BROOD MARES ▶▶▶▶▶▶▶▶▶▶

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Oak" for Millie N Docs Oak, "Bush" for Badlands Oak Bush and "Rain" for Rainin Whiskey, "CB" for Little Cat N Boom, and "Bet" for Starlings Remedy.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "K" year. That's why all our foals this year have a third name that begins with an "K." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

This sorrel gelding has been heading and heeling the Smarty. Hadley has lots of ability with a kind heart. The kids have been loping and riding him out in the pasture. Hadley is Shelby's favorite mount. Here is a cool young horse. This guy cows up on the corner when heeling on and moves nicely off leg pressure and lopes relaxed controlled circles. He is a ranch favorite. Kind, gentleman, easy to look are the words that describe this guy.

For the past 11 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Nineteen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

He is a nice quiet horse with enough go to get any job done. Here on the ranch he has pulled calves to the fire, moved cows and trailed up the highway with a lot of patience. This summer he will have had time with Jeremy Knoles. There isn't much more you can do to create a nice all-around horse.

He is fun to rope on – runs hard, has a lot of natural cow and rate, easy in the corner and faces good. He has also been used outside to sort and doctor in the pasture. Has a fancy neck rein, spins, stops and lopes in the palm of your hand. Check out his tricks and watch him in the ranch horse competition. Smokin stands approximately 14.3 HH and weighs 1,100 lbs. He's a finished head, heel, breakaway and cutting horse with Dual Rey, Peptoboonsmal, Smart Little Lena and Grays Starlight all on his papers. His sire, Dual R Smokin, has LTE of \$219,434 in the cutting pen with numerous championships to his name. This horse has been hauled and won on in the team roping. He's very gentle, has good manners and great athletic ability. Smokin is quick footed, has lots of cow and can really stop. Would fit #4 ropers on up. He'd make a wonderful family horse that everyone will get along with and enjoy. Videos will be available on "Paul and Jana Griensman Performance Horses" Facebook Page. Call Paul for more info.

RENO

2009 Gray Grade Gelding

Reno is a 10-year-old grade gray gelding that we have owned for several years. Kylie has done everything on this sweet boy from the branding pen to the arena – head, heel, breakaway, goat tie, poles and barrels. Kylie has junior rodeoed on him. He is the safest, most-gentle horse. Any level rider can ride him. He has never offered to buck. He gives you 100% every time with a nice stop. We have many videos and pictures. Call with questions. Come ride him before the sale.

Casino is the real deal! Tie down/Breakaway/Heel Horse. Casino has always been the family favorite. We have owned this horse since he was 4 and he taught our kids how to become great hands. He has qualified them for the HS & JH State and National Finals, and the NDRA and Roughrider Finals. Chanci placed 8th in the breakaway at the JH National Finals in 2015. He has only been used in the breakaway/heeling for the past four years but will be ready in the tie down by sale time, so he is NOT used up for his age. No box issues, never used a jerk line, no maintenance. He is bred to the hilt, does his job every time and looks like a performance horse should. This was a hard decision to make, but kids are off to college and it's time to offer his talents to another. The only hole he has is that he will pull back if not tied to a string. A one-horse trailer deal – you won't be disappointed!!

Here is a nice gelding that hasn't had his wheels run off. He is gentle and has no buck or nonsense. He is solid to do anything on the ranch and can go to the jackpots or high school rodeos heading steers. He will darn sure ride soft in your hand and move off your leg. We have had younger kids on him that can already ride, and they fit just fine. Good to shoe, clip and bathe. We have enjoyed having him around and hope some family can get as much good from him as ours has. 15.2 HH and is a very attractive 1,225 lbs.

Boxcar is the whole package! Big, thick-made, good-looking gelding by Peptoboonsmal (\$180,487 NCHA) out of Absolutely Stunning (\$107,877 NCHA)! He is a finished, push-button cutter that has proven himself in the show pen. Boxcar himself has earned \$14,677 NCHA! He is easy to ride, drop your hand and cut a cow, really rides off your seat and legs, and is fun to ride! Boxcar has also spent quite some time day working on the ranch as well as roping in the arena. He is a super nice head horse, great in the box, leaves flat, cool move in the corner, strong from the horn, faces great, and you can heel on him as well! He is double broke – you can do anything on this horse, and he is safe for all levels of riders. He is big enough to pull anything you latch onto, good minded, easy going and is always gentle. Boxcar is built to last with heavy bone and foot, tons of muscle structure, and is conformationally correct. He's a very cool horse that will be hard to replace. 15.2HH!! Does require hind-end maintenance if used hard, current on deworming, shoes, and Coggins. For more info call 608-434-4789 or check out our Facebook page at Schmitt Horse Ranch. He stands 15.1 HH, has great confirmation and will definitely get you noticed where ever you go! Extra friendly to handle and be around, superb ground manners and great to haul. Rides in a group or by himself equally well, traffic and dog safe, and goes where he is pointed. Very unique, special type of gelding that you just don't see every day! Lennon is a 6-year-old dun gelding that stands 16 HH. He is a horse we raised and has been a steady mount in my string for the last few years on a big cow-calf and yearling outfit south of Mandan. Lenn is used to do every job on the ranch from roping and tagging calves, sorting pairs, branding and doctoring in the pasture to corral work, starting in the alley, and gathering big country. He has done it all. This horse has a big motor and can really move out and cover ground in any gait. He has been roped off of extensively, tracked and roped the sled all last summer, and we will start heading steers this summer. Lenn isn't bothered by a lot. I've packed calves and my young kids on him. That being said, he does have a lot of go and is not best suited for a beginner. He has a couple scars from horse bites and a little cloudy spot in his right eye from an injury when he was a foal. These are purely cosmetic and do not affect him whatsoever. Use him as a ranch horse and/or make him your next head horse. Check closer to sale date for additional pictures and video of Lennon. Spur is a 2-year-old gelding raised in the Badlands of Ft. Peck, Montana. The Amish started him and now he is being used as a head horse prospect, tracking the sled and moving cattle. Spur will be a big horse and will be able to turn a steer. He also has a nice stop to him. He will be a wonderful ranch horse or head horse prospect. Call for additional information.

Bullet is beautiful cherry-red sorrel that comes with all the bells and whistles. He is a very quiet ride that has done every job there is to do on the ranch. Tie off and doctor or sort one out of the herd. Ridden a lot of trails, and will cross all that comes in front of him. Solid neck rein and a fancy horse! Bullet is also excelling in the arena as a head horse, heel horse and calf horse. Will be hauled until sale time. Sound. Call for more information and videos.

Cutter is a big, good-looking, solid-made dun gelding. We bought Cutter from the gentleman that raised him from a colt. He has been used extensively at a sale barn and feed yard moving cattle and penning back. He is great to sort on in the alleys, open and shut gates, and he isn't afraid of a full day's work. Cutter is built to last a lifetime with his heavy bone, great feet and big hip and chest. He has a good handle, moves off leg pressure, lopes collected circles, and has a solid one-hand neck rein. He goes where you point him outdoors and is sure to be a great asset to any ranch. Big-time head horse prospect. 15.1 HH. Sound, current on deworming, shoes and Coggins. For more info, go to fund us on Facebook at Schmitt Horse Ranch and view his video at <https://youtu.be/Zi7HKY7za9U>.

Speck is a nice-sized using horse. The girls have put lots of miles on her here at the ranch and drug calves at branding. This is a little mare that likes to get out and walk and cover some country. She is kind and gentle but probably not for real little kids or beginners because she likes to get the job done. Before coming to live with us, Speck was started as a reining horse. She is showing promise in horsemanship and speed events. Don't let the App pedigree fool ya – she is cute as a bug with a full mane and tail. Speck will show in the ranch horse competition.

Goldfish is an absolutely handsome young prospect that has the makings of a high-end head horse. He's very well put together and balanced with a big square hip. He is as true blue as they come with black legs and a black head. We have him riding very nice both in and out of the arena. He'll lope collected circles, he's soft in the face and rib cage, and really rides off your seat. Goldfish has been ridden down the highway next to traffic, through the pastures checking cattle, and has crossed lots of downfall and water. He should be introduced to the Hot Heels by sale time and be ready for the next owner to continue on with. He's a super nice young gelding with a bright future ahead of him. Sound, current on deworming, shoes and Coggins. For more info call 608-434-4789 or check out our FB page at Schmitt Horse Ranch.

Cat is an extremely gentle horse with no buck. He has enough to not be a real little kid's horse, but my 12-year-old boy has drug a lot of calves on him this spring. Someone heeled on him before us and had him a little nervous in the box, but he works good in the arena. We are not selling him as a heel horse but he's lots of fun outside and has no buck no matter how long you turn him out.

Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Louis Hutzenbiler, Nichole and Kylie Millican, Shelby Steele, the Justin Myer family and Eli Lord. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2019.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past nine years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

The Sperry family awards two scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He

also qualified for “Team Cinch” in 2012-13 by being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses’ website, www.sperryhorses.com.

Bud Sperry on Gun Too

Recipients of the Bud Sperry “Old Cowboy” Memorial Scholarship were announced at the North Dakota High School Rodeo Finals this past June.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry or Dixie Schaffer for more information.

Thank you,

The Sperry Family
