# WELCOME

The Sperry Family (L to R):  
Marcia, Tamra, Kanon, Robert and Kolby Sperry

The Sperry Ranch welcomes you to our 16th Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 4. They come from lines including Docs Oak, Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat and Mr. Sun Olena. The other foals offered in the sale come from Robert's Aunt Ginger and Uncle Gary DeCock. They are out of PBR Seco Bart, Takes Allota Metal, DNS Baro Oak. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeo White Feathers, Romeos Got A Gun Too, and Keaton and Emilia Schaffer, and their stallion Peptos Pretty Kitty. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

Robert Sperry and Mike Uetz

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

**Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.**

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

## ▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 11, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

For the past 12 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Nineteen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Dealer is built like a bulldog with a broad chest, thick hindquarters, pulls a deep cinch and has straight, clean, correct legs and good feet. He tops off his great confirmation with a cute little head. Dealer has been my personal go-to for two years. Roped lots of pasture cattle. Easy and fun to tag calves on or go sort in the alley. Tracks cattle with ease, very quick, cowy and athletic. Used to work colts in the round pen and pony them

as well. Can drag calves to the fire but does not appreciate the ground crew. I've used him for a ranch rodeo. Penned cattle at the sale barn, opens gates with ease. Side passing is a breeze and he spins quietly. Responds quickly to leg cues and is one-hand broke. Started on the heeling side, very quiet in the box. Shows potential in being a breakaway horse and would not take much to get him started. From the ranch to the arena he stays quiet in any job he's given. An all-business, use-all-day type horse. Not a mean bone in his body. Hobble broke or stands quietly tied all day. He wore sharp shoes the winter when he was used at the sale barn. Easy to shoe and trim. 14.2 HH. Have endless videos and pictures of him doing what he does best either on my personal Facebook page or by request.

He is fun to ride outside, is sure-footed in rough country and crosses the river with ease. He has been worked in the arena on the heel side. With money earners all over his papers, this horse will not disappoint. Come take a look at him in the ranch horse competition and the rope horse preview.

## TERMITE

2011 Sorrel Gelding (Grade)

Here is a fancy-broke gelding with a lot of athleticism. Termite is gentle, kind and great to be around. He is soft in the bridle, moves off your leg and will run to a cow. We have been roping calves on him and this gelding has a lot of potential. He is quick footed, tracks well and has a big stop. This horse is easy to get along with and a great opportunity and is a really nice, honest horse. Termite will make a great kid's rodeo horse. Kanon really enjoys riding this guy.

He always saddles up the same even with time off. Easy to catch, bridle, saddle and shoe. He would also make someone a good-looking trail or all-around horse.

# SPERRY HORSE SALE

# Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Morgan Foss, Matt Johnson, Eli Lord. And thanks to Tracey Koester, Cow Camp Promotions, for designing the ads and catalog.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

*The Sperry Family*

## “Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in 2020.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past nine years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

The Sperry family awards two scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He

also qualified for “Team Cinch” in 2012-13 by being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls.

The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, [www.ndhsra.org](http://www.ndhsra.org), and on Sperry Quarter Horses’ website, [www.sperryhorses.com](http://www.sperryhorses.com).

Recipients of the Bud Sperry “Old Cowboy” Memorial Scholarship were announced at the North Dakota High School Rodeo Finals this past June.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry or Dixie Schaffer for more information.

Thank you,

*The Sperry Family*
