

A cowboy wearing a light blue shirt, blue jeans, and a white cowboy hat is riding a brown horse. He is holding a lasso and herding a small brown calf. In the background, other people in cowboy hats are visible, and the scene is set in a dirt arena with a wooden fence.

"Every one the using kind!"

WELCOME

The Sperry Family (L to R):
Marcia, Tamra, Kanon, Robert and Kolby Sperry

The Sperry Ranch welcomes you to our 17th Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 3. They come from lines including Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat and Mr. Sun Olena. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeos Got A Gun Too, and Keaton and Emilia Schaffer, and their stallion Peptos Pretty Kitty. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to

have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 10, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Whiskey is a young, talented well-bred stallion. He is an own son of Paddys Irish Whiskey of the 6666 ranch in Texas. His dam was raised at the 6666 out of an own daughter of the Mr Sun O Lena. We have been using Whiskey in the arena and we are very please with what he has accomplished so far. Paddys Irish Whiskey is the leading reining cowhorse sire whose foals have earned \$1,479,696.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Rain" for Rainin Whiskey and "CB" for Little Cat N Boom.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "M" year. That's why all our foals this year have a third name that begins with an "M." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

ROPING AND GOAT TYING CLINIC

For the past 13 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Twenty-one kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Boomtown was the first and only colt out of our Cherry mare. He was started right at the DSU colt breaking class as a 2-year-old. He spent a total of four months with Justin Schofield. He is more than ready to find a permanent home on the rodeo trail. He's been ranched on, hunted the badlands and won fast times in tiedown and breakaway jackpots. Boomtown is quick, catty and overall very athletic. Other than normal annual maintenance, no health issues. He was one of our first colts out of Scout who is also in this sale. This guy is special to our family and we are looking forward to seeing what kind of mark he leaves on the rodeo circuit.

I bought this nice gelding from Robby Hanson, it was his main turn back horse for the last 7 years. I bought Howard for my wife to ride but with our third child coming in September he isn't going to get rode for a while. Howard has seen all the cuttings from Western Nationals in Denver and the Black Hills Stock Show in Rapid City. He is a neat horse with lots of personality. He is very easy to get along with and a complete gentleman all the time. Howard is fancy broke to ride. He rides in the arena and has also seen lots of miles in the badlands trail riding. Been rode by kids as well. He has also roped some buffalo. He stands 15 HH and is put together like one should be. He will work for absolutely anyone to ride. I could go on about this nice gelding forever but if you have any questions give a call or YouTube search (Sperry Sale Love My CD).

Hollywood is an insanely smart, talented, athletic animal. We have had Hollywood for 3 of his 7 years, through this he's been subject to about whatever both Kasey and Ashley have felt like asking him to do. He tracks the calf skid, patterned on barrels, drug random items such as logs if they've needed to be moved, spent many many miles on trails, many miles on the road with us to rodeos and jackpots. He's an affectionate gelding that will greet you at the gate, follow you around the pasture and is eager to please and learn. Hollywood will excel in the rodeo arena without a doubt. Gunner is an easy mover and makes perfect circles. This young 15 HH gelding has a lot of experience for a young horse. Prior to us getting him he had been in an Amarillo feed yard. While there he also branded lots of calves and doctored lots of cattle on wheat pastures. This guy will go on and make a big time rope horse or a real handy ranch horse. If you can do it horseback Monte has done it, I can guarantee it. He is a gentle slave ranch horse. If you want one you can ride once a year or seven days a week he is up to the task. Should I is a solid, gentle gelding with a great handle. He has been used to gather in rough country, doctor, sort, brand and all ranch work. He has been at Rocking H Training since winter dragging calves, sorting pairs, and doctoring. You can throw a rope off him all day - solid ranch gelding. He was used this spring in western ND. He works good off leg and rides out straight. Easy mover and really tracks and watches a cow. He has been lightly started out of the box. He loves kids, easy to catch and saddle. SPERRY HORSE SALE

Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Morgan Foss, Eli Lord, Emily McHugo, Noah Babcock and Codi Sebastian. And thanks to Tracey Koester, Cow Camp Promotions, for designing the ads and catalog.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Bud Sperry

"Old Cowboy" Memorial Scholarship

The family of Kyle "Bud" Sperry Jr. established a memorial scholarship in Bud's honor. The Bud Sperry "Old Cowboy" Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in 2020.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past ten years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added "Old Cowboy" to the name as a tribute to Bud's era and his friends.

The Sperry family awards two scholarships in memory of Kelby Indergard (I7), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He

also qualified for "Team Cinch" in 2012-13 by being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby's goals was to earn a Bud Sperry "Old Cowboy" Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls.

The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses' website, www.sperryhorses.com.

Recipients of the Bud Sperry "Old Cowboy" Memorial Scholarship were announced at the North Dakota High School Rodeo Finals this past June.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry or Dixie Schaffer for more information.

Thank you,

The Sperry Family
