Every One The Using Kind!

WELCOME

The Sperry Family (L to R):
Kolby, Marcia, Tamra, Kanon and Robert Sperry

The Sperry Ranch welcomes you to our 18th Annual Performance and Production Sale. We hope you enjoy seeing where we live, work and ride. It should give you an insight to what one can expect from our horses.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 3. They come from lines including Paddys Irish Whiskey, Peptoboonsmal, High Brow Cat and Mr. Sun Olena. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 16, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be given to the buyers the day of the sale upon a signature of release to the new owners stating the registration papers were delivered to the new owners on sale day.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Whiskey is a young, talented well-bred stallion. He is an own son of Paddys Irish Whiskey of the 6666 ranch in Texas. His dam was raised at the 6666 out of an own daughter of the Mr Sun O Lena. We have been using Whiskey in the arena and we are very please with what he has accomplished so far. Paddys Irish Whiskey is the leading reining cowhorse sire whose foals have earned \$1,479,696.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Rain" for Rainin Whiskey and "CB" for Little Cat N Boom.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "N" year. That's why all our foals this year have a third name that begins with an "N." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

For the past 14 years, Robert Sperry and Kayla Spickelmier have co-hosted a roping and goat tying clinic in the spring to help young cowboys and cowgirls learn proper techniques. Twenty-one kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Drake is a 14.2 hand, super-cute buckskin gelding with great bloodlines. He was started as a reiner so he is really broke and soft in his face. He is a finished heel horse that has been hauled all over at jackpots and rodeos and nothing bothers him. If you run one or 30 on him, he will stay quiet in the box and not get hot. We've had from number 2 to 7 ropers ride him and win on him. He's also been breakawayed on and we've also used him outside a bunch. Drake is a barn favorite and one the whole family can enjoy.

15 hands, big boned, and cinches deep! Merlot is as gentle as they get, he's the first one wanting to be caught and will follow you around until you do catch him. He has never offered to buck, be cinchy, or get fresh with time off. Merlot has done all aspects of ranching, doctoring yearlings, sorting, branding, will pull anything you ask him to into a trailer, and even takes care of our 11-year-old girl at the sale barn and gathering cattle by herself in big country. He's a big-country kind of horse that knows where his feet are and can out trot anything on the place. Merlot has been nicely started on the head side and will continue to be roped on up until the sale. Good to shoe, bathe and catch, backs off of the trailer and gets along with other horses. Along with her ranch resume, Panther has been Keaton's good heel horse for the past couple years, she has been hauled to town and has seen all the lights and banners!

She has also been used as our practice breakaway horse. She offers the same run every time with ZERO box problems, just back in and rope! We cannot say enough about this versatile mare. Keep up with videos and info about Panther on our Facebook page, Rocking KE Performance Horses, up to sale day.

We have had him here since he was 2 years old. Reis has done all the training. You can lay him off for as long as you like, and he is always the same. Ridden lots of miles outside. GRANITE

2017 Black Gelding

Granite is a black 5-year-old grade gelding. I've owned him since an un-started 2-year-old. What a cool dude he is shaping up to be. He is big and just as thick. Super soft in the face and responds well to leg pressure ques. Side passes nicely and has a natural start to some beautiful spins. He has been used lightly at the sale barn. Can open and close gates with ease. Granite makes branding day a breeze. Cover the big county to gather the cows, quick footed enough to sort on and will quietly walk through calves in the branding pen to give you the best shots. He is everyone approved. Granite is kind, quiet and loves attention. He may convince you he needs in the cookie jar. Granite is down for anything. I hauled him to an obstacle challenge and finished in the money!! Travels well and doesn't mind overnight stays. He is so willing to please in any situation you put him in. Crosses anything you point him at without hesitation. Granite is pigeon toed and has some blemishes on his legs that don't seem to bother him one bit. He does have shallow-soled feet and requires front shoes at the very least. I keep shoes on him all the way around during the summer. Check him out on my personal Facebook page videos and pictures will be posted there or give me a call.

Not only is he great to head on, he is good out of the arena also. Very smooth loper and stays extremely broke. He is very soft in his face, moves off your leg nicely and has a big stop. Smoke is also really good outside doing everyday ranch work. Don't let his age fool you. He acts and rides like an 8-year-old. He's been one of my favorite horses to have around the ranch and use. She is fancy broke and has a lot of cow. She's been used in the mountains on a cow camp for two summers. She has been Kanon's main mount in the arena and loves to rope both ends. She has been hauled to the rodeos in the roping. Also been hauled to several WRCA ranch rodeos. She stands 14.3 hands. We run her with the geldings, and she isn't mare-ish.

She has been used EXTENSIVELY on the ranch, drag calves, sort pairs, doctor or bringing in the mare herd, she does it all. She is easy to catch and rides off the same every time. She stands for the farrier, blankets, hauls and washes without a care. She is also going well in the breakaway and heeling; she will be shown in the breakaway this July in the 5 - State Breeders Futurity. She is going to be the real deal! If you're looking for another great horse to add to your string, she is the one! Stay up to date on everything Beetle is doing this summer on our Facebook page; Rocking KE Performance Horses.

Sister is a 15 hand 9-year-old sorrel mare, that's got lots of shape. She is a finished ranch and trail horse that is safe for anyone to go use for everyday riding. She is the type of horse that you can let sit for a while and she will ride off the same every time you get on her and has got a puppy dog personality to boot. She is as broke as you can get one, she stops hard, lopes collected circles, is soft in the face, and listens very well to leg cues. She has been competed on in the barrels running 1D/2D times and has spent the summer being headed on and breakaway roped on and is doing fantastic in every event. Whether you want a horse to go ride down the trails, do ranch work on, or go compete in the arena Sister is the perfect horse for you to take and do all of them on. She is guaranteed 100% sound. Master is the last of a dying breed. He came from the Padlock Ranch – 400,000 some odd acres. He has covered lots of ground and done everything a horseback that needs done. Journeyman in every sense of the word. He is gentle and broke enough for anyone to ride or the best hand to saddle and get any task done. Nice, old-fashioned, one-hand neck rein. He's the kind of horse that is hard to find anymore since the side-by-sides have become so popular. If you want a real ranch horse, Master is your man. Gentle, blemish free, sound and no buck. 2021 SALE HIGHLIGHTS

▶▶▶▶▶▶▶▶▶▶ Thank You! ▶▶▶▶▶▶▶▶▶▶

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Kennedy Myers, Noah Babcock and Todd Wood. And thanks to Tracey Koester, Cow Camp Promotions, for designing the ads and catalog.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

The Sperry Family

Bud Sperry

"Old Cowboy" Memorial Scholarship

The family of Kyle "Bud" Sperry Jr. established a memorial scholarship in Bud's honor. The Bud Sperry "Old Cowboy" Memorial Scholarship awarded \$6,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in 2022.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past 11 years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. The sale is now held at the Sperry Ranch north of Beach, N.D. We have added "Old Cowboy" to the name as a tribute to Bud's era and his friends.

The Sperry family awards two scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for "Team Cinch" in

2012-13 by being a stand-out in the state of North Dakota in both academics and in the rodeo arena. One of Kelby's goals was to earn a Bud Sperry "Old Cowboy" Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses' website, www.sperryhorses.com.
