Vigneti delle Dolomiti IGT
 2013 2014 2015
- #1** - A wine that expresses the bold character of Sangiovese cultivated on drained soils. Its rich yet clear ruby-red color conveys its body immediately, which is complimented by its complex bouquet. On the nose, scents of fruit and spicy black pepper give way to tertiary toasted notes of coffee bean and tobacco. The soft, round tannins are perfectly integrated with a long and persistent finish.
- #2** - In this unique vertical, Marco has picked some of his favorite selections from the 2011, 2012 and 2013 vintages. The 2011 season created lively and delicious reds with plenty of ripe fruit and soft tannins. 2012 boasts juicy red berries, noble tannins and impeccable balance that will allow them to age well for decades. 2013 wines demonstrate sleek, integrated tannins and acidity with fresh, terroir-driven flavors and fruit. These Brunello selections can be drunk now or aged until 2040.
- #3** - Something different. 100% Sangiovese from the “Mello” vineyard in Gaiole in Chianti, 700 m above sea level. The grapes are picked late to get maximum ripeness from this beautiful high-lying vineyard. Fermented in cement tanks with 20% whole bunches, then a very long maceration of 4 months gives this wine a wonderful fruit character, which differentiates it from the more classic styles.
- #4** - Only made in excellent vintages, this Vino Nobile Riserva has a ruby red color of good concentration, intense aroma with hints of wild berries, cherry and vanilla. In the mouth it is full and round, persistent with balanced tannins. Try a classic pairing of roasted red and white meats or with semi aged Pecorino cheese.
- #5** - In its youth, the wine has golden-yellow notes but after a few years it evolves into an intense golden bouquet. Manna seduces with a complex and stratified bouquet that suggests notes of elderflowers, pistachios and rose petals. Its concentrated structure combines with a soft elegance and a gentle minerality.
