| <input type="checkbox"/> | <p>#1 - 2019 Calimaia Vino Nobile Riserva
<i>100% Sangiovese</i>
<i>Vino Nobile di Montepulciano</i>
<i>Riserva DOCG</i>
<i>Drink: now - 2030</i></p> | <p>#1 - Tenuta Calimaia is a project which marked the return of the Frescobaldis to Montepulciano in the name of that exploratory nature which belonged to Lionardo Di Niccolò Frescobaldi. This wine is full-bodied and enveloping, with an exuberant tannic note and appealing spiciness. Notes of cherries, wild strawberries & currants intertwine with balsamic. A complex wine with remarkable length and persistence in the mouth.</p> |
| <input type="checkbox"/> | <p>#2 - 2020 Ca'Viola Caviòt Barolo
<i>100% Nebbiolo</i>
<i>Barolo DOCG</i>
<i>Drink: 2025 - 2035</i></p> | <p>#2 - The term "Caviòt" is the nickname with which the residents of Motelupo Albese affectionately addressed Clement, Beppe Caviola's father. This is a barolo in the most classic sense, where grapes from vineyards with different soils and exposures contribute to varietal balance. A bouquet of violets, roses & small red fruits. In the mouth, texture is firm & silky, with persuasive tannins, making the taste buds remember it for a long time.</p> |
| <input type="checkbox"/> | <p>#3 - 2020 Colombaio di Cencio
Montelodoli Gran Selezione
<i>100% Sangiovese</i>
<i>Chianti Classico Gran Selezione DOCG</i>
<i>Drink: now - 2035</i></p> | <p>#3 - "From the Tuscan tradition of enhancing one's owned vineyards and the exaltation of one of the highest territorial denominations, here comes the Montelodoli, the purity of Sangiovese." Ruby red, deep but brilliant, the nose is intense, with red fruits and spices, mineral notes and well-toasted yet balanced wood. On the palate you notice its beautiful structure, harmonic, almost sweet, with good fruit and a very persistent finish.</p> |
| <input type="checkbox"/> | <p>#4 - 2016 Mazzei Zisola 'Achilles'
<i>100% Syrah</i>
<i>Terre Siciliane IGT</i>
<i>Drink: now - 2036</i></p> | <p>#4 - "The 2016 Achilles is a dark, savory, and layered red wine. This wine is absolutely soaring...it deserves to fly solo, no doubt. The fruit is fleshed out and intense with background notes of chocolate, spice, and smoked bacon. The wine's intensity is beautiful and generous." - Robert Parker. Full and elegant, notice black cherry, forest underbrush, and a rich aftertaste. Excellent with game, mushrooms and hard cheeses.</p> |
| <input type="checkbox"/> | <p>#5 - 2020 Borgo San Daniele Arbis
<i>Chardonnay, Pinot Grigio and other</i>
<i>white varieties</i>
<i>Venezia Giulia IGT</i>
<i>Drink: now - 2027</i></p> | <p>#5 - On the nose, notes of wild flowers and aromatic herbs with a finish which recalls acacia honey. The palate has a rich and concentrated structure, but at the same time shows inviting drinkability. Soft, with great volume and elegance, balancing the buttery character and underlying mineral quality. A natural match for appetizers & soups.</p> |
