DESCRIPTION

- #1** - 2018 **Brandini** Annunziata Barolo
100% Nebbiolo
Barolo DOCG
Drink: 2025 - 2038

#1 - For this renowned winery, the history of each of their bottles begins from the earth. Their search for excellence has resulted in a garnet red wine, tending to orange with time. On the nose it shows itself already beautiful in youth through a spectrum of notes ranging from eucalyptus to sweet tobacco, ending with small red fruits. The taste is deep and multifaceted, with a silky and resolute tannic mass. Fresh, persistent and elegant.
- #2** - 2017 **Tommasi De Buris**
65% Corvina, 15% Corvinone, 15% Rondinella & 5% Oseleta
Valpolicella Classico Superiore DOC
Drink: now - 2030

#2 - This is the **first ever** release of the De Buris Valpolicella. With every sip, it releases an intense, perfectly balanced bouquet, ever-present, continuously evolving. Aged in days gone-by, pouring into the future. Unique and unmistakable. It is subtle and smooth, underlined by a pleasant sapidity and hints of ripe dark berry fruit and cinnamon on the palate. It requires time and a prestigious taste in order to discover its harmonic nuances.
- #3** - 2021 **Terre del Marchesato** Aldone
100% Merlot
Toscana IGT
Drink: now - 2035

#3 - A wine that bears a very important name for the company (Aldo was Maurizio's father), this wine is produced from vineyards planted in 1954. The nose shows a beautiful complexity, hints of red and black fruits alongside a floral presence and herbaceous notes. Structured and warm, it has a notable softness, enveloping and balanced tannins, and the spiciness of black pepper is confirmed. The finish is pleasantly elegant and long.
- #4** - 2016 **Villa Matilde** Vigna Camarato
80% Aglianico & 20% Piediroso
Toscana IGT
Drink: now - 2036

#4 - Produced exclusively in the best vintages, with grapes harvested in the vineyard known as Camarat. The color is dark and deep red, with an intense and persistent aroma of red and black berries, pepper, chocolate, coffee, licorice and vanilla. Notice the dry and warm taste which can be described as complex, elegant and powerful. A wine that will age beautifully over the coming decade. Enjoy alongside pasta with game ragù.
- #5** - 2021 **Passopisciario** Contrada PC
100% Chardonnay
Terre Siciliane Bianco IGT
Drink: now - 2025

#5 - Aromas of cooked apples, creme caramel, and nougat follow through to a full body with layers of fruit. It is soft and round textured, yet tensioned with lots of acidity at the end. Minerals such as stone and basalt, with white pepper and honeysuckle. Planted at over 3000+ feet in altitude, it is said to be the highest chardonnay vineyard in Italy.
