<i>Toscana IGT</i>
<i>14.5% Alcohol</i></p> | <p>#1 - Exclusively from the vineyards on the Campo alla Sughera estate, located in the heart of the “Bolgheri” area. A wine of great personality and finesse, with fruity, spicy and roasted notes harmonically blended together. <i>Corvina Veronese, Rondinella & Osoleta</i>
<i>Amarone della Valpolicella</i>
<i>Classico DOCG</i>
<i>15.5% Alcohol</i></p> | <p>#2 - This wine has imposing structure and depth, as much in its aromas of mature fruit and spices, as on the palate, where the alcohol is sustained by the right degree of acidity and refined tannins. Traditionally enjoyed with game, roasted and grilled meats, casseroles and well matured cheeses. Amarone’s distinctive flavor compliments new and exotic sweet and sour dishes.</p> |

<i>90% Sangiovese & 10% Colorino</i>
<i>Chianti Classico DOCG</i>
<i>13.5% Alcohol</i></p> | <p>#4 - Deep garnet in color with an endearing nose with beautiful scents of roasted coffee and spice backed by stone fruits. Velvety, concentrated palate, superb sensation of harmony and almost soft, refined tannins. Rich, velvety and well-balanced with ripe red fruit flavors and a long finish. 94 points James Suckling.</p> |
| <input type="checkbox"/> | <p>#5 - 2015 Poggio Al Tesoro Solosole
<i>100% Vermentino</i>
<i>Vermentino Bolgheri DOC</i>
<i>14.5% Alcohol</i></p> | <p>#5 - The radiance of Vermentino varietal reflects intensely in the aromas of Solosole, a white wine that captivates with its intense hints of flowers and unexpected yellow fruit. The palate has a medium body, is succulent and highly enjoyable. The development of the wine in the glass suggests that it has the potential to evolve for a few years.</p> |
