DESCRIPTION

- #1 - 2015 Poliziano IN VIOLAS**
100% Merlot
Cortona DOC
14% Alcohol
Drink: now - 2030
#1 - The establishment of the Cortona DOC in 1999 together with the friendship with the Tommasi family were the inspiring factors for the birth of Poliziano's enological project in Cortona. The wine opens with aromas of black currant, bell pepper and tobacco. On the palate, juicy black cherry makes up the core while notes of licorice and ground pepper offer backup. A smooth and easy drinking wine!
- #2 - 2018 Micheletti Dalleo**
70% Cabernet Sauvignon, 15% Merlot, 15% Cabernet Franc
Bolgheri Rosso DOC
14% Alcohol
Drink: now - 2027
#2 - With only 6000 bottles made each year, this exceptional wine starts with an intense ruby red color, followed by the scent of blackberries and notes of licorice and light vanilla. On the palate are ripe tannins, full of depth and elegance, good sapidity, and a lasting finish. Pairs beautifully with full flavored meats and game, soups, aged cheeses and tuscan cold cuts.
- #3 - 2014 La Rasina Brunello**
100% Sangiovese
Brunello di Montalcino DOCG
14.5% Alcohol
Drink: 2021 - 2029
#3 - Tempting aromas of vanilla, black plum and balsamic notes lead the nose, especially if you open this wine 2-3 hours before drinking. The dense palate then offers licorice, spiced plum and pipe tobacco alongside taut tannins. La Rasina offers a beautifully dark and austere expression of Brunello with almost exaggerated intensity. The wine is dense, extracted and velvety with smooth cherry and vanilla.
- #4 - 2018 Cusumano 'Disueri'**
100% Nero d'Avola
Sicilia DOC
13.5% Alcohol, Drink: now - 2025
#4 - The natural power of Sicilian wines and the elegance and freshness created by the altitude allows for the perfect representation of Nero d'Avola. The calcareous soil is a rich white color, an emblem of Sicily, that creates full and balanced ripening. The wine is dark in color, deep in texture and holds beautiful minerality.
- #5 - 2018 Firriato Quater Vitis Bianco**
Inzolia, Carricante, Cataratto and Zibibbo
Terre Siciliane IGT
12.5% Alcohol, Drink: now
#5 - Quater Vitis Bianco encases four crus from four native white grape varieties: Inzolia, Carricante, Cataratto and Zibibbo. These varieties demonstrate the excellence of Sicilian oenology. Together they give rise to a complex and sophisticated blend. Pair with shrimp, white fish or delicate cheeses with fig jam.
