<i>100% Chardonnay</i>
<i>Piemonte DOC</i>
<i>13% Alcohol, Drink: now - 2025</i> | <ul style="list-style-type: none">#1 - In the early 60's, thanks to "Grandfather Damo," this vineyard was established and maintained with care until he passed in 2006. His dedication remains alive as the family continued producing this unique wine from one of the oldest vineyards in the Vino Nobile region. Aromas of ripe fruit, cassis and blackberries are enhanced with traces of tobacco, chocolate and sweet spices.
#2 - The Nebbiolo in this Barolo is grown in the highest part of the Bricco Boschis vineyard. With a westerly exposition, the terroir here is much richer in clay, resulting in wines with pronounced tannins and a more masculine structure. The wine is superbly balanced in power and elegance with concentrated fruit and floral flavors, high levels of soft tannins and a firm, mouthwatering acidity.
#3 - Only produced in the best years, with a maximum production of 8000 bottles! The cool temperate Mediterranean climate and basaltic soil in the region create a wine that is dark ruby in color, dense, with purple tinges changing to garnet red. Full-bodied, pleasant, warm, rich and balanced. Pairs beautifully with meat, cheese and elaborate main courses; superb with game.
#4 - The wine has intense color and aromas with ample notes of red berries. On the palate, a body of great balance with tannins well integrated into the structure, which ensures elegance and longevity. Reaches its peak after 7-9 years in bottle thanks to the concentration that allow it to achieve a balanced flavor profile.
#5 - This "Family Reserve" Chardonnay wine comes from a single vineyard located in Agliano Terme that grows in mineral-rich soil. Produced in limited numbers, and only during years of exceptional vintage. Enveloping with exotic fruits and balanced by a smooth, elegant & lasting finish. Enjoy with curry! |
