<i>Drink now-2027</i> | <ul style="list-style-type: none">#1 - This beauty is created from the grapes of the older vineyards which have lower than typical yields, therefore suitable for a more elegant wine. Lots of blue fruit with black-cherry and black-truffle aromas that follow through to a full body with round and velvety tannins. Ample ripe fruit and creamy undertones. The tannins simply melt into the wine. Drink in 2022, but if you can’t wait, it is already so delicious.
#2 - Secondine is one of the most historic of all zones of Barbaresco and of the Nebbiolo grape. The wine shows a ruby-garnet color to the eye along with light brick highlights. The nose is complex with notes of raspberries and roses which unite with sensations of tobacco, white pepper and licorice. The palate is elegantly structured and balanced, silky in its tannic texture and sweet.
#3 - With its first commercial release this year, Bertinga is a new winery which includes 23 hectares of vineyards planted with Sangiovese and Merlot in the region of Gaiole. The aromas to this small-production, single-vineyard wine are marvelous, changing all the time from crushed berries and flowers to black truffles and fresh mushrooms. Full bodied with polished tannins, it is tight and shows excellence.
#4 - "Vieni via con me" is a Cabernet Franc for the beginning of a Tuscan adventure. It was created from grapes aged for 12 months in french oak tonneau and has an intense ruby red. It exudes a fruity bouquet with hints of red berries, black cherry and plum, coffee and soft spices. On the palate it is round and pleasant, with fine tannins and good persistence. Pairs beautifully with Pasta Bolognese or aged cheese.
#5 - This is a wine that holds the tradition and beauty of the winemaking history while celebrating modern flavor and balance. Intense aromas of orange blossom and iris with notes of yellow apple. Fresh and juicy with good acidity, very persistent, it closes with a fruity finish that pairs well with white fish and light cheeses. |
