Franchesato
<i>100% Cabernet Franc</i>
<i>Toscana IGT</i>
<i>Drink: now - 2026</i></p> | <p>#2 - Franchesato was born from Maurizio Fuselli's desire to enrich the range of mono-varietal wines, the pride of their production. Intense and penetrating in the nose, frank and fine, with notes of red fruits such as strawberry, cherry and currant, black fruits such as blackberry. In the mouth it is structured and warm with a pleasant freshness and light sapidity. The finish is long and elegant. An ideal match for wild boar stew.</p> |

This wine has an intense nose, with notes of red berries and scents of spices and vanilla. Persistent and balanced, with a fresh and pleasantly savoury finish. The tannic structure is well integrated and complex. Ideal for serving with red meats, game or with hard, mature cheeses.</p> |

<i>Toscana IGT</i>
<i>Drink: now - 2030</i></p> | <p>#4 - Here we have the quintessential Super Tuscan, a cuvée of Sangiovese and Merlot and the faithful expression of the unique terroir of the namesake vineyard. It evokes Mediterranean spices, thyme, garrigue, red berries. With a bit of time, subtle aromas appear, red pepper, paprika and black olives. The mouth is powerful and tight, the firm tannins guarantee the structure. Simply put, this wine embodies elegance and structure.</p> |

Velvety texture on the palate, with a delicate grip and invigorating acidity, juicy and persistent through to the mineral finish. An excellent choice for seafood dishes or pasta with pesto.</p> |
