

ACE
I'm good. You know me... trying to
keep my money up and the bullshit
down.

JOI
Speaking of money....I need to make
some and I'm not talking about getting
back on the pole.

Ace notices that Joi is very serious

ACE
You're serious?

JOI
As hell, Same shit...I'll do two runs
a week and I roll solo.

Ace laughs

ACE
Damn and you have demands. Why do you
want to get back into this shit? I
thought you married some rich dude.

JOI
Yeah, I did marry a dude...but he damn
sure wasn't rich.

Ace starts to walk towards the back gambling room and Joi
follows.

ACE
Let me think on it...meanwhile. I'll
let you hold something.

JOI
Ace, you know I don't do that handout
shit.

ACE
Just give me a few days.

Joi stops right before she gets to the door.

JOI
Ace, I don't have that kind of time.
So, much for loyalty.

Joi is leaving out of the door upset.
