MR. ADLEMAN

Yes, Let's get right to it. I'm a very busy man.

JAMIR

I need to borrow a half million...

MR. ADLEMAN

Jamir...you havent even paid me the \$300,000 balance you owe me from when we closed the deal on this place!

JAMIR

Jamir nervously pushes a folder in front of Mr. Adleman.

JAMIR CONT'D

As collateral....I'll sign over 33% of the company and I'll pay you everything back...in six months...with interest.

MR. ADLEMAN

Are you out of your fucking mind? At least kiss me before you try and fuck me!

JAMIR

But...

MR. ADLEMAN

But my ass...Your grandfather was a hell of a partner and businessman. I see you nor your father inherited that trait.

JAMIR

I've managed to...

MR. ADLEMAN

The only thing you've managed to do is... run this company in the ground faster than a whore can drop her panties!

JAMIR

Mr. Adleman...I can..
