21 INT. ACE STRIP CLUB - STAGE AREA - NIGHT

Joi is standing there, and a stripper named London, who resembles Joi, is flirting with her.

LONDON

Would you like a dance?

JOI

No, thank you.

LONDON

Don't be scared...I only bite on request.

Joi gives London a tip.

JOI

I'm not scared....trust me. Maybe next time.

LONDON

I owe you one.

Ace approaches Joi and London walks away.

ACE

That's the new girl and she's a beast, like you were.

JOI

Ace...please! There will never be another "Honey"!

Ace hugs Joi.

ACE

It's good to see you. This place hasn't been the same since you left. If you want your old job back...I have a pole for you right over there...with your name on it.

JOI

Those days are...so over. How have you been Ace?
