## Success Stories

### Enterprise Learning Platform Transformation | IHG Hotels & Resorts

Consolidated multiple Learning Management Systems (LMS) to reduce confusion and compliance risks in a highly regulated industry. This led to a 15% increase in compliance training completions, streamlined access for 5,000+ employees, and 90% on-time project milestone completion.

### Workforce Development Program | ADP (Financial Services & HR Compliance)

Developed and implemented an enterprise-wide talent development framework to scale workforce training and ensure compliance with financial regulations. This resulted in a 25% increase in internal promotions, 100% first-year participation in compliance training, and a 30% reduction in operational inefficiencies, saving \$1.5M annually.

## Differentiators

- Expert in AI-driven learning
- Integrated emerging tech in training
- MBE-certified, federal training expertise
- Agile, scalable, cost-effective solutions
