**For the safety of our animals:**

We offer pony rides year-round as long as the temperature is 35° degrees or warmer. If it's below 35° then it all depends on the road conditions, wind, rain, snow, etc. We use weather.com to verify the weather for the day/week. At times its 35 Degrees but the wind makes is much colder. Often, we will Cancel if the wind is stronger than 13MPH or more regardless the temperature. The ponies are easily spooked, and I just feel it's not safe to provide the rides. My Enchanted Unicorns makes the final decision to cancel or not. If we do have to cancel for any reason either the night before or the day of. We will send out an email.
