

ATLANTIC BATTERY

ATLANTIC BATTERY COMPANY, INC.

Call Atlantic Before Getting Frantic!

Keep Your Students Energized

We have been supplying Boston area schools with the critical batteries they need to keep operational since the Great Depression. It is one of our most important sources of business, so we will always go the extra mile for you.

Our technicians have decades of experience installing and maintaining batteries. Whether your school is newer or older than us (87 years now, 3rd generation family since 1934), we will make sure it is running right and keeping your school going.

Call us TODAY at 617-924-2868

Do you know all the batteries your school uses?

You may be shocked to learn just how many batteries are hidden all around you every day. Here is a list of all the major ones commonly found in schools.

- Fire Alarms
- Emergency Lights
- Security Systems
- Point of Use UPS Backups
- Facility Wide Generators
- Solar Power Storage Banks
- Portable Computer Stations
- Facility Trucks and Golf Carts
- Floor Sweepers and Scrubbers
- Electric Pallet Jacks
- Landscaping Equipment

Atlantic Battery supplies all these and more with the best service and most competitive pricing!
