Bugs and Blooms

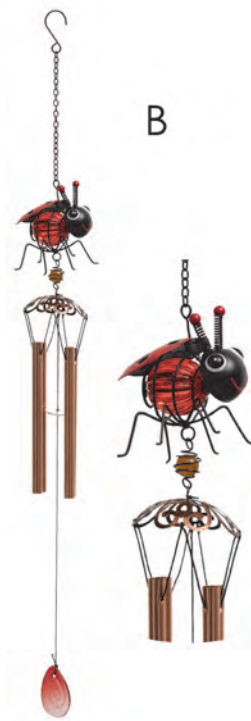

The bugs and Blooms collection is a cheerful nod to carefree childhood summers – were gardens buzzed with life and very flower held a tiny surprise. Featuring playful reds, fresh whites and bold pops of black, this line is inspired by poppies in full bloom and the delight of spotting a lady bug among leaves. Fresh, garden-ready, and full of whimsy, each piece adds a playful spark to your summer decor while celebrating the beauty of plants, pollinators, and warm days in the sun.

Mocha Mousse

Rooted in warmth and timeless elegance, the Mocha Mousse collection draws from 2025's color of the year to evoke a sense quiet sophistication. With notes of terracotta, weather-worn whites, and soft mocha tones, this line pairs beautifully with wicker textures and rustic finishes. Inspired by outdoor serenity, and the beauty of things aged by time, it offers a grounded, graceful look that feels both vintage and refined—perfect for creating peaceful spaces with a soul.

Purple Pansy

The Purple Pansy collection captures the delicate beauty of early spring, when gardens begin to stir and color returns to the world. Featuring purples, leafy greens, crisp whites, and vintage-inspired blacks, this line blends rustic charm with a touch of modern style. With nods to cottage gardens and weathered décor, each piece celebrates the resilience and grace of the humble pansy—an early bloomer with timeless appeal

Strawberry Fields

The Strawberry Fields collection was inspired by simpler times—sunny mornings in Grandma’s kitchen, the scent of fresh berries, and the easy joy of summer days. This line blends shades of green and red with vintage touches to evoke a sense of comfort, and nostalgia. With an airy, fresh feel and details that nod to country life, each piece is designed to bring that light, breezy charm of a summer kitchen into today’s home—where memories are made and moments feel just a little sweeter.

Summer Lovin'

The Summer Lovin' collection is for those who know that summer isn't complete without muddy toes, croaking frogs, and a few turtles basking in the sun. With playful nods to pond life and pops of blue, green, and white, it brings a cheerful, cheeky charm to outdoor spaces. From lily pads to giggles in the garden, this line is made for sunshine, splashing, and not taking life too seriously.
