

With CirculOil your oil maintenance can be done in 90 seconds and at around half the cost of a standard oil change

We help you look after your equipment and mow for longer with our quick oil change technology, so what are you waiting for?

See what you can save today!

12 month saving for a 25 vehicle fleet

26.4 days of  
downtime saved

£3,500 savings

400 litres of  
oil recycled

258.8 kg of CO2  
saved: equivalent  
of 12 trees

CirculOil on a Hustler Super 104

**'We've seen the benefits  
CirculOil offer with their  
quick oil change  
technology and are now  
looking to expand its use  
across other sites'**
