

Sponsorship Opportunities

16th Annual Conference

Friday, October 28, 2022

Marriott Marquis

901 Massachusetts Avenue NW

Washington, D.C. 20001

The Women in Construction Conference is mainly funded by sponsorships. Generous contributions from sponsors allow us to keep registration costs low, particularly for the many young professionals who are just starting their careers.

Sponsorships range from \$1,000 to \$15,000. The standard registration fee of \$299 is often less than similar conferences as a result. We are proud to provide invaluable education on topics like project administration, career mapping, work/life balance, leadership skills, advocacy training and crisis management.

About the Conference

- The East Coast's premiere forum for education, professional development and networking
- 450+ attendees
- Founded in 2006
- Established 501(c)(6) status in 2017
- Full day of programming
- Breakfast, lunch and cocktail reception included

WIC's mission is to support and advance the careers of women in the build industry.

A portion of conference proceeds will be donated to mission-aligned causes. In the past, WIC has contributed to the ACE Mentoring Program (which provides scholarship and mentorship opportunities to high school and college students pursuing careers in architecture, construction and engineering), the Grace Gold Memorial Scholarship Fund and Hard Hatted Woman.
