

WOMEN IN CONSTRUCTION

General Interest Application Form

Thank you for your interest in joining the Women in Construction, Inc. (WIC) organization.

WIC is the Mid-Atlantic region's premiere forum for professional development and networking in the construction industry. WIC empowers women to continue to grow and achieve success in the community with a motto of: "By Women, for Women." The intent and goal of the organization is to help women in the fields of architecture, engineering, construction, the trades, real estate, law, and consulting, build skills and develop relationships that will help themselves, and their firms, with continued success.

Member Requirements:

- Serve as a WIC ambassador
- Solicit employer and personal network for sponsorship support of WIC annual conference
- Participate as a Committee Chair/Co-Chair or as an active Committee Member on at least one subcommittee
- Attend the WIC annual conference in October
- Actively participate in calls and meetings
- Promptly reply to all requests for feedback
- Promote and share WIC events with colleagues and network

WOMEN IN CONSTRUCTION

Applications for CY2021 are due January 22, 2021. Please return completed forms to jesse@garchikconsulting.com.
