I am a member of Bembridge Angling Club*	<input type="checkbox"/>
I have applied to become a member of Bembridge Angling Club*	<input type="checkbox"/>

(You must be, or become accepted as, a BAC member to rent one of our moorings)

I hereby apply for a Club mooring for my angling vessel (yachts are excluded) and I agree for BAC to keep records of my details on file for the purpose of dealing with this application.

I understand that if my application is successful, I will be notified of the annual cost of the mooring which does not include personal membership at a cost of an additional £33.00 plus £2.00 for the optional sweep plus any other items listed in the current personal membership application/renewal form.

I further understand that I will be provided with a copy of the Club Mooring Rules together with a further payment request form (in which I am required to declare that I will abide by the Mooring Rules, including having my boat insured to the satisfaction of BAC) plus the BAC Privacy Statement. (Both of these documents are available to view on the Club website, www.bembridge-angling-club.co.uk, or on the Club notice board in the Clubhouse).

Lastly, I understand that any resulting payment request will include a deadline for payment and that if I do not make payment by that date that BAC may allocate the mooring to someone else.

Please inform BAC promptly of any change of boat/boat name and or address/contact number, whilst still wishing to apply for a mooring to ensure continued timely communications from BAC.
