Greetings everyone! Wow here we are with Easter almost upon us and just "last week" it was New Year's. With the winter havoc this year, I am sure you all felt it in some way or other. I truly hope all is well with you all. Spring is here and a lot of people are looking and thinking about selling and/or buying. Please know that Smart Move Realty is here to help in any way. Being a part of Manawa for over the last 20+ years in different ways has given me great pleasure in all that I am able to do to help where I can. If you are looking to buy and/or sell, let me know where I can help. I will give \$150 credit back to you at closing towards your closing on both the buying side or selling side. I want you to be happy once we get to closing so I will do whatever I can to be there for you and help you. In the meantime, have a great day and always continue to Believe. Jan Kraetsch

## THANK YOU EVENT SPONSORS!

The 3rd annual Great Wisconsin Tune Up BBQ & SCA Competition Event is April 27-28 at beautiful Bear Lake Campground and Resort.

GWTU national competitions are sanctioned by Kansas City Barbeque Society (KCBS) and Steak Cookoff Association (SCA) which attract top professional and amateur BBQ teams from across the country. Approximately 30 teams will compete in 4 meat categories; chicken, pork ribs, pulled pork, and beef brisket. Each category is judge by KCBS certified judges in criteria of appearance, taste and tenderness. The SCA double competition on Sunday, April 28 is judged by SCA certified judges. We anticipate 40 teams for the SCA events.

Craft vendors, raffle boards, 50/50 raffles, and other surprises round out the events for Saturday.

Our 2019 charity partner/recipient is the local Shriner's Hospital chapter "Beja." These amazing 'Men in the Red Fez' provide free surgical intervention and medical care for children with orthopedic needs, including prosthetics/durable medical equipment, and therapies as well as transportation to and from appointments, lodging as needed, and meals for patients and parents.

# SCHOOL DISTRICT OF MANAWA

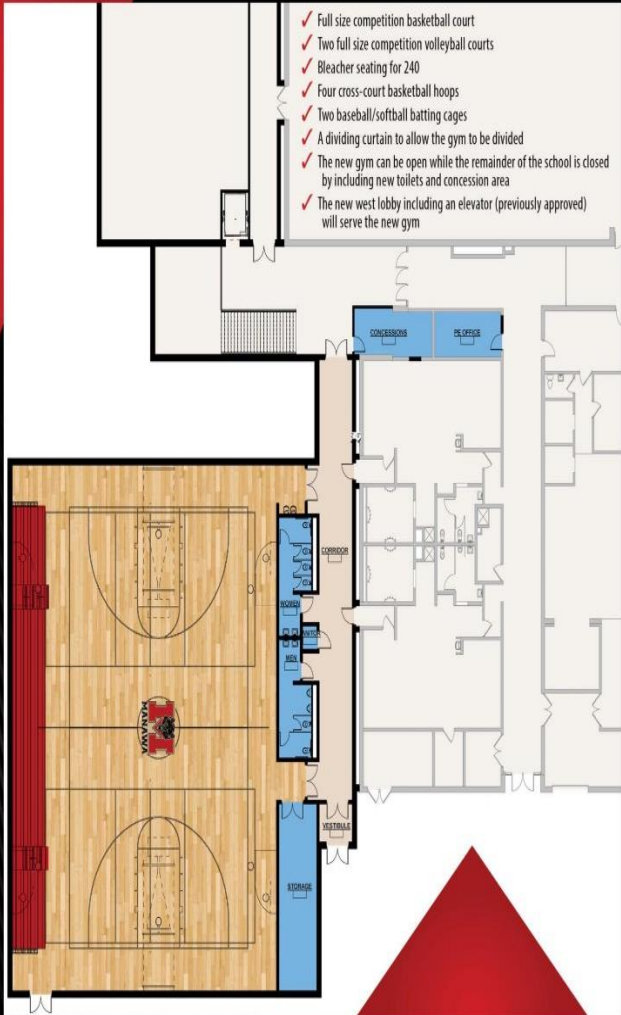

Larger image pictured on the back.

Let's finally give not only our **children** and their children a place for **recreation**, but also a place for our **entire community** to come and use.

- ✓ The expanded fitness center will give the entire community access to use it for their fitness needs for very little cost.
- ✓ The extra gym (which is badly needed) will also be open to the community for walking or using with their families. Currently with the (2) gyms we already have, they are both at 100% usage every day from the time school is out to 9:00 at night and also on the weekends. Even with that, some of our younger kids are not able to participate in the gym usage as much as they should be allowed to.

Authorized and paid for by  
The Manawa Athletic Booster Club

- ✓ Full size competition basketball court
- ✓ Two full size competition volleyball courts
- ✓ Bleacher seating for 240
- ✓ Four cross-court basketball hoops
- ✓ Two baseball/softball batting cages
- ✓ A dividing curtain to allow the gym to be divided
- ✓ The new gym can be open while the remainder of the school is closed by including new toilets and concession area
- ✓ The new west lobby including an elevator (previously approved) will serve the new gym

April 2019

In this litigious time, you don't have to be a millionaire to be sued like one. That's why it's important to consider if you have all the liability coverage that you need.

If you were sued, would your existing personal insurance policies provide you with adequate protection? It's a question you need to ask. Typical auto, homeowner and other property insurance liability limits are often not adequate to cover the large court judgements frequently awarded. And these days, anyone can be sued, regardless of income, for just about any reason.

Eastling Insurance Services LLC is here to help you find the insurance protection you need. That's why we want to make sure everyone knows about the protection available through an Umbrella policy.

An Umbrella policy provides financial protection beyond what your auto or homeowners policy includes-from one to ten million dollars-and may safeguard your assets if you are held liable in certain situations such as:

- an injury on your property
- an injury involving your Automobile, Boat or any Recreational Vehicle you own
- Libel, slander, defamation of character or invasion of privacy

This important protection is relatively inexpensive. Please call Eastling Insurance Services for more information.
