**FRANCISCO**  
**“PANCHO” TOLEDO**

On Sunday November 10th while enjoying a quiet evening at home with his family, Pancho suffered a debilitating stroke and spent 29 days in Theda Clark Stroke Unit. He has worked extremely hard to get back to life as he knew it before his stroke. As with any medical emergency his family has suffered the loss of his income and as bills continued to come in, his wife was also taken away from work to be with Pancho. Pancho and Bobbie have two children, daughter Alexis and son Elias, we want to help them all recover from this horrible experience and help them relieve some of the financial burden they have also suffered.

**Renters Insurance**

Fact: 64% of renters surveyed said they don't have Renters Insurance.\* From burglary and pipe bursts to smoke damage and vandalism, when the unthinkable happens, make sure you're covered. Many renters don't realize their personal possessions inside their apartment or rental home aren't covered by their landlord's insurance policy.

**Auto-Owners INSURANCE**  
LIFE • HOME • CAR • BUSINESS

Some of the coverage mentioned in this material may not be applicable in all states or may have to be modified to conform to applicable state law. Some coverages may have been eliminated or modified since the printing of this material.

Recently Waupaca County area has experienced several Rental Home Fires.

The Tenant was the cause of the fire.

Did you know?? The Insurance Company for the owner of the

property will take care of the property owner's damages\*\*\*\* BUT they will subrogate against

the Tenant who caused the damages\*\*\*

([Webster's](#) defines subrogation as "the assumption by a third party... of another's legal right to collect a debt or damages.")

I hear some people say "We do not have enough stuff to protect."

Not only are Renter's policies protecting your Personal Property the policy

also protects you, up to the Liability limit if you are found legally liable to reimburse for the damages.,

including defense costs.

Call Eastling Insurance at 920-596-3355, for a Renter's Insurance Quote.

For most families it can be as little as \$15.00 to \$20.00 a month for this important protection.
