Greetings everyone! Here we are with summer fast approaching. The weather has been questionable for quite some time but when we have the sunny days, we are very grateful and even with the rain and such sometimes that is good for our farmers in the fields too. Plus, we live in the great state of Wisconsin. I know that many businesses are very busy, and the days seem to slip away faster and faster and this coming Saturday will already be June 1st. Whatever you are doing make sure you take time to sit and relax and take a deep breath. Look around you and see what you have and all that you have done for yourself, your family, and others. Reflection sometimes gives us all a sense of peace and happiness knowing our accomplishments. We all work hard at our jobs, whatever they may be, but we must again, take the time to relax and look up and smile. Most important believe in your Lord and believe in yourself. Love who you are and love those around you. Give hugs! They are

free! Have a great day everyone! Jan

Sookle is a 4-year-old little girl that has a very rare genetic disorder. This disorder makes it hard for Sookie to do everything.

Sookie has the brain mentality of a 6-9-month-old baby. Sookie can not walk, talk or do anything a normal 4-year-old child can do. We are raising money for new medical equipment and to put on a special room that Sookie can play and do everything she wants in and that is safe for her. We are also trying to raise money to get Sookie a new wheel chair because the one she has in not compatible with her.

Please come down to Bear Lake and have some fun, win some great prizes, enjoy the music and meet Sookie. Hope to see you there.

Public Celebrations Being Planned Submitted by Dr. Melanie J. Oppor

The School District of Manawa and Hoffman Planning, Design, & Construction, Inc. are working collaboratively to plan a variety of community-wide events. It is one way to show appreciation for all of the ongoing community support for the two referenda that passed in November 2018. Please come and celebrate three major milestones for the district and allow us to thank you in person! Watch for more upcoming details on the following events:

MES Site Project Groundbreaking Thursday, May 9, 2019 10:00-10:30 a.m.

MES Site Project Grand Opening & Ribbon Cutting Tuesday, August 20, 2019 (Back to School Night) 6:00-6:30 p.m.

Middle School/High School Project Groundbreaking Wednesday, August 14, 2019 5:30-6:00 p.m.
