Wahn lee wail afta dat,

Wen Jeezas luk op, ih si wahn big krowd di kohn tuwaadz ahn. Ih seh tu Filip, “Da weh wi wahn bai bred fi mek aala dehnya pipl eet?” Jeezas oanli seh dat fi tes owt Filip, kaa Jeezas ihself mi don noa weh hihn mi wahn du. Filip ansa Jeezas seh, “Noh eevn ayt monts pay kuda bai nof bred fi mek eech wan a dehnya pipl ya geh wahn lee bit fi eet.” Wan a Jeezas disaipl nayhn Anjru, weh da-mi Saiman Peeta breda, seh tu ahn, “Wahn lee bwai deh ya weh ga faiv lee bred ahn too lee fish. Bot weh gud dat wahn du monks soh moch pipl?”

Jeezas seh, “Mek di pipl dehn sidong.” Now di plays mi graasi, graasi, soh dehn sidong. Jos fi konk di man dehn aloan da mi bowt faiv towzn a dehn in aal. Wen dehn geh nof, Jeezas tel ih disaipl dehn seh, “Gyada op aala di lefoavaz soh notn noh ways.” Wel, fos dehn mi oanli ga faiv bred, bot dehn en op di gyada op hoal a twelv baaskit ful a di lee pees a bred dehn weh mi lefoava afta di pipl dehn mi don eet. Wen di pipl dehn si di mirakl weh Jeezas mi du, dehn staat tu seh, “Dis da di Prafit weh mi fi kom eena di werl fi chroo!” Wen Jeezas si dat di pipl dehn mi-di luk fi foas ahn fi bee king, ih gaahn bak op di hil soh dat ih kuda mi deh bai ihself.

(Jan 6:5-14)

Wen eevnin mi kohn, Jeezas disaipl dehn mi gaahn dong da di lagoon. Dehn get eena wahn boat ahn staat aaf kraas di lagoon fi goh da Kapernyam. Ih mi don daak aredi, ahn Jeezas neva deh wid dehn yet. Breez mi-di bloa haad-wan an ih mek di waata geh rof rof.

Afta dehn mi don padl bowt chree er foa mailz, dehn si Jeezas di kohn tuwaadz dehn di waak pahn di waata tap. Wel, dehn mi fraitrn no miks. Bot Jeezas tel dehn seh, "Da mee. Noh frayd." Den dehn mi oanli tu glad fi mek ih get eena di boat, ahn sodn-wan, di boat reech sayhn plays weh dehn mi gwen. (Jan 6:16-21)

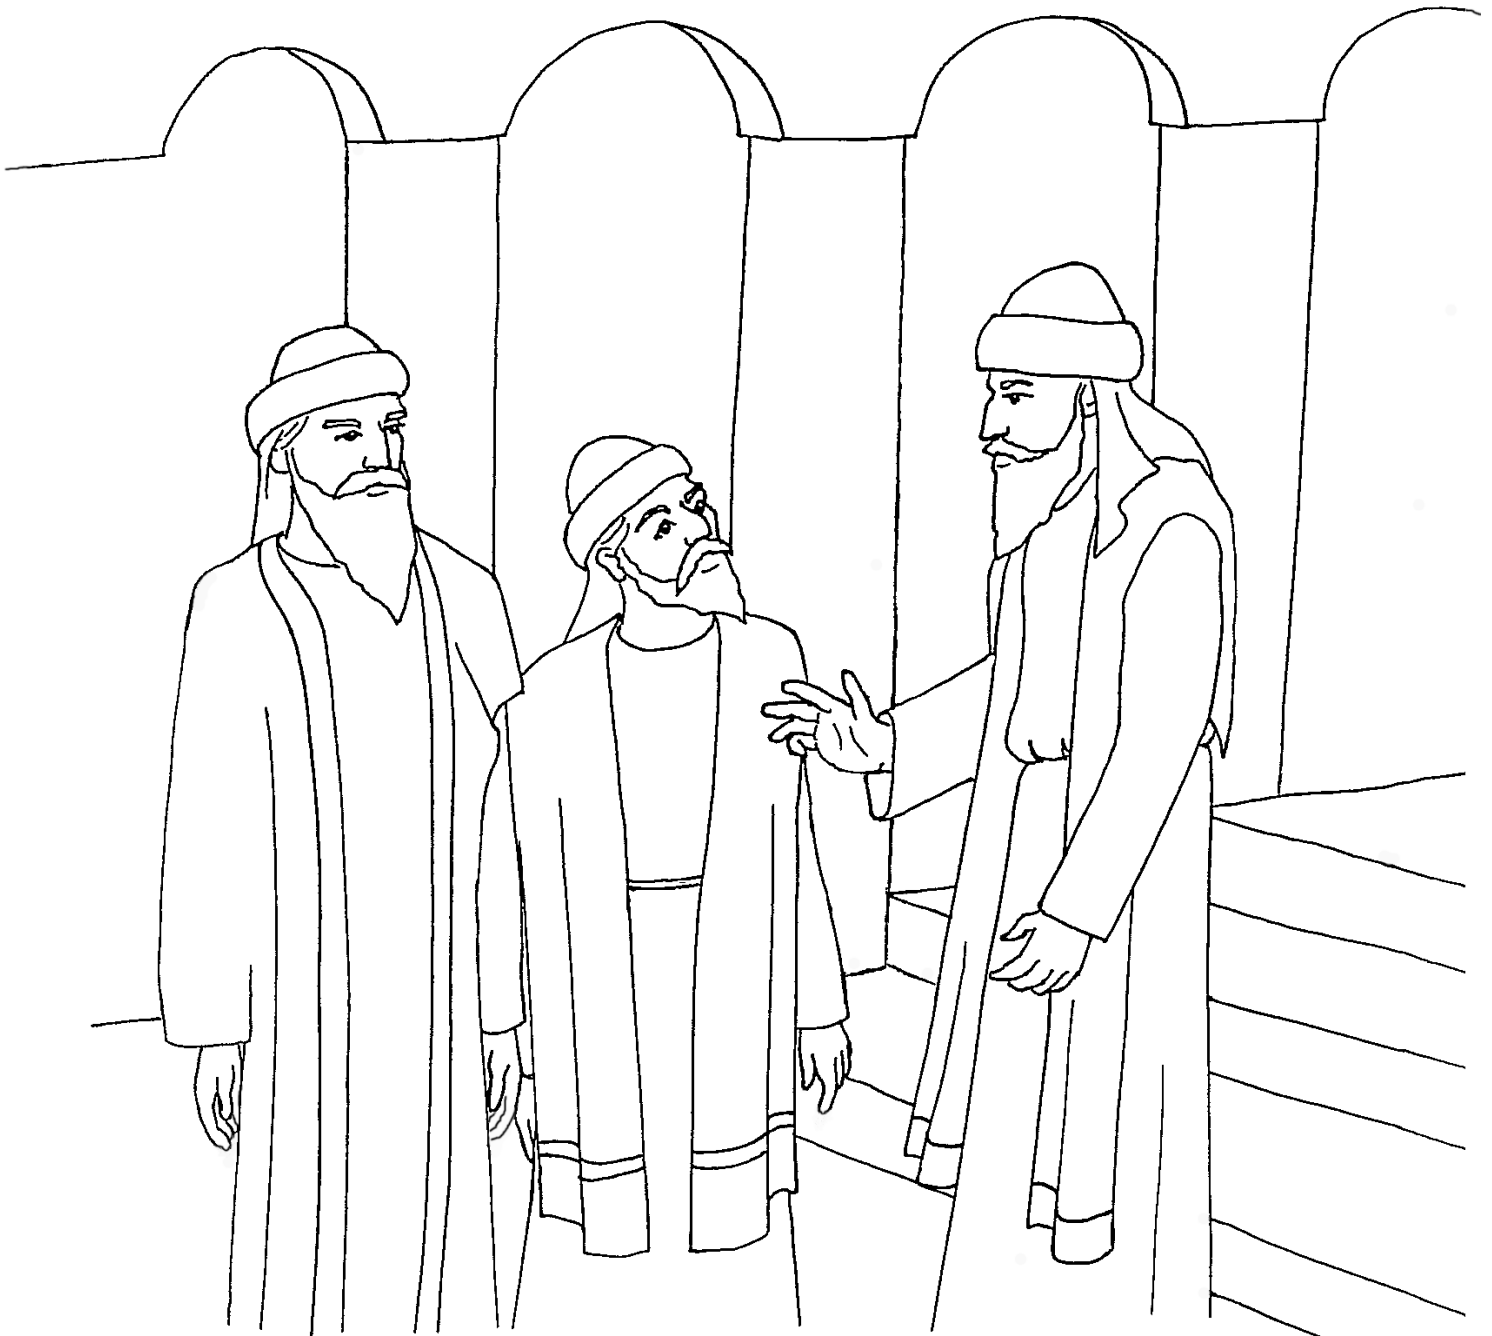

Sohn pipl mi-di bring dehn lee pikni tu Jeezas fi mek ih put ih han pahn dehn fi bles dehn. Bot di disaipl dehn taak tu dehn shaap-wan ahn tel dehn noh fi bada ahn. Wen Jeezas si weh mi-di hapm, ih neva laik dat ataal an ih tel di disaipl dehn, “Mek di lee pikni dehn kohn tu mi, man; no stap dehn, kaa pipl weh waahn bee paat a Gaad kingdom hafu stan jos laik lee pikni. Ah di tel unu di chroot, enibadi weh noh kohn tu Gaad laik wahn lee pikni wahn neva bee paat a Gaad kingdom.” Den ih pik op di lee pikni dehn ahn put ih han pahn dehn ahn bles dehn. (Maak 10:13-16)

“Ai da di gud shepad weh gi ih laif fi di sheep dehn.” (Jan 10:11)

“Mai sheep dehn yehr mai vais. Ai noa dehn, ahn dehn fala mee. Ai gi dehn laif weh wahn laas fareva, ahn dehn wahn neva ded. Nobadi noh wahn grab dehn owta mai han.” (Jan 10:27-28)

Di chief prees dehn ahn di Farisee dehn kaal op wahn meetn wid di Jooish Kongsl ahn seh, “Da weh wi wahn du now? Dis man di du aala dehn mirakl. If wi mek hihn goh hed laik dat, den evribadi wahn bileev eena ahn, ahn di Roaman soalja dehn wahn kohn ahn dischrai wi templ ahn wi nayshan.”

Bot wan a dehn weh mi nayhn Kaiyafas, weh da-mi di hai prees da yaa, tel dehn seh, “Unu noh noa notn! Unu noh noa seh dat ih beta fi unu fi mek wan man ded fi di pipl dehn dan fi mek di hoal nayshan geh dischrai?” Kaiyafas neva seh dat rait soh, bot laik how hihn da-mi di hai prees da yaa, Gaad mi mek hihn seh heda taim dat Jeezas mi wahn ded fi di nayshan. Bot da neva oanli fi di nayshan, bot fi gyada aala Gaad pipl dehn weh mi skyata aal oava di werl, mek dehn kohn tageda az wan peopl.

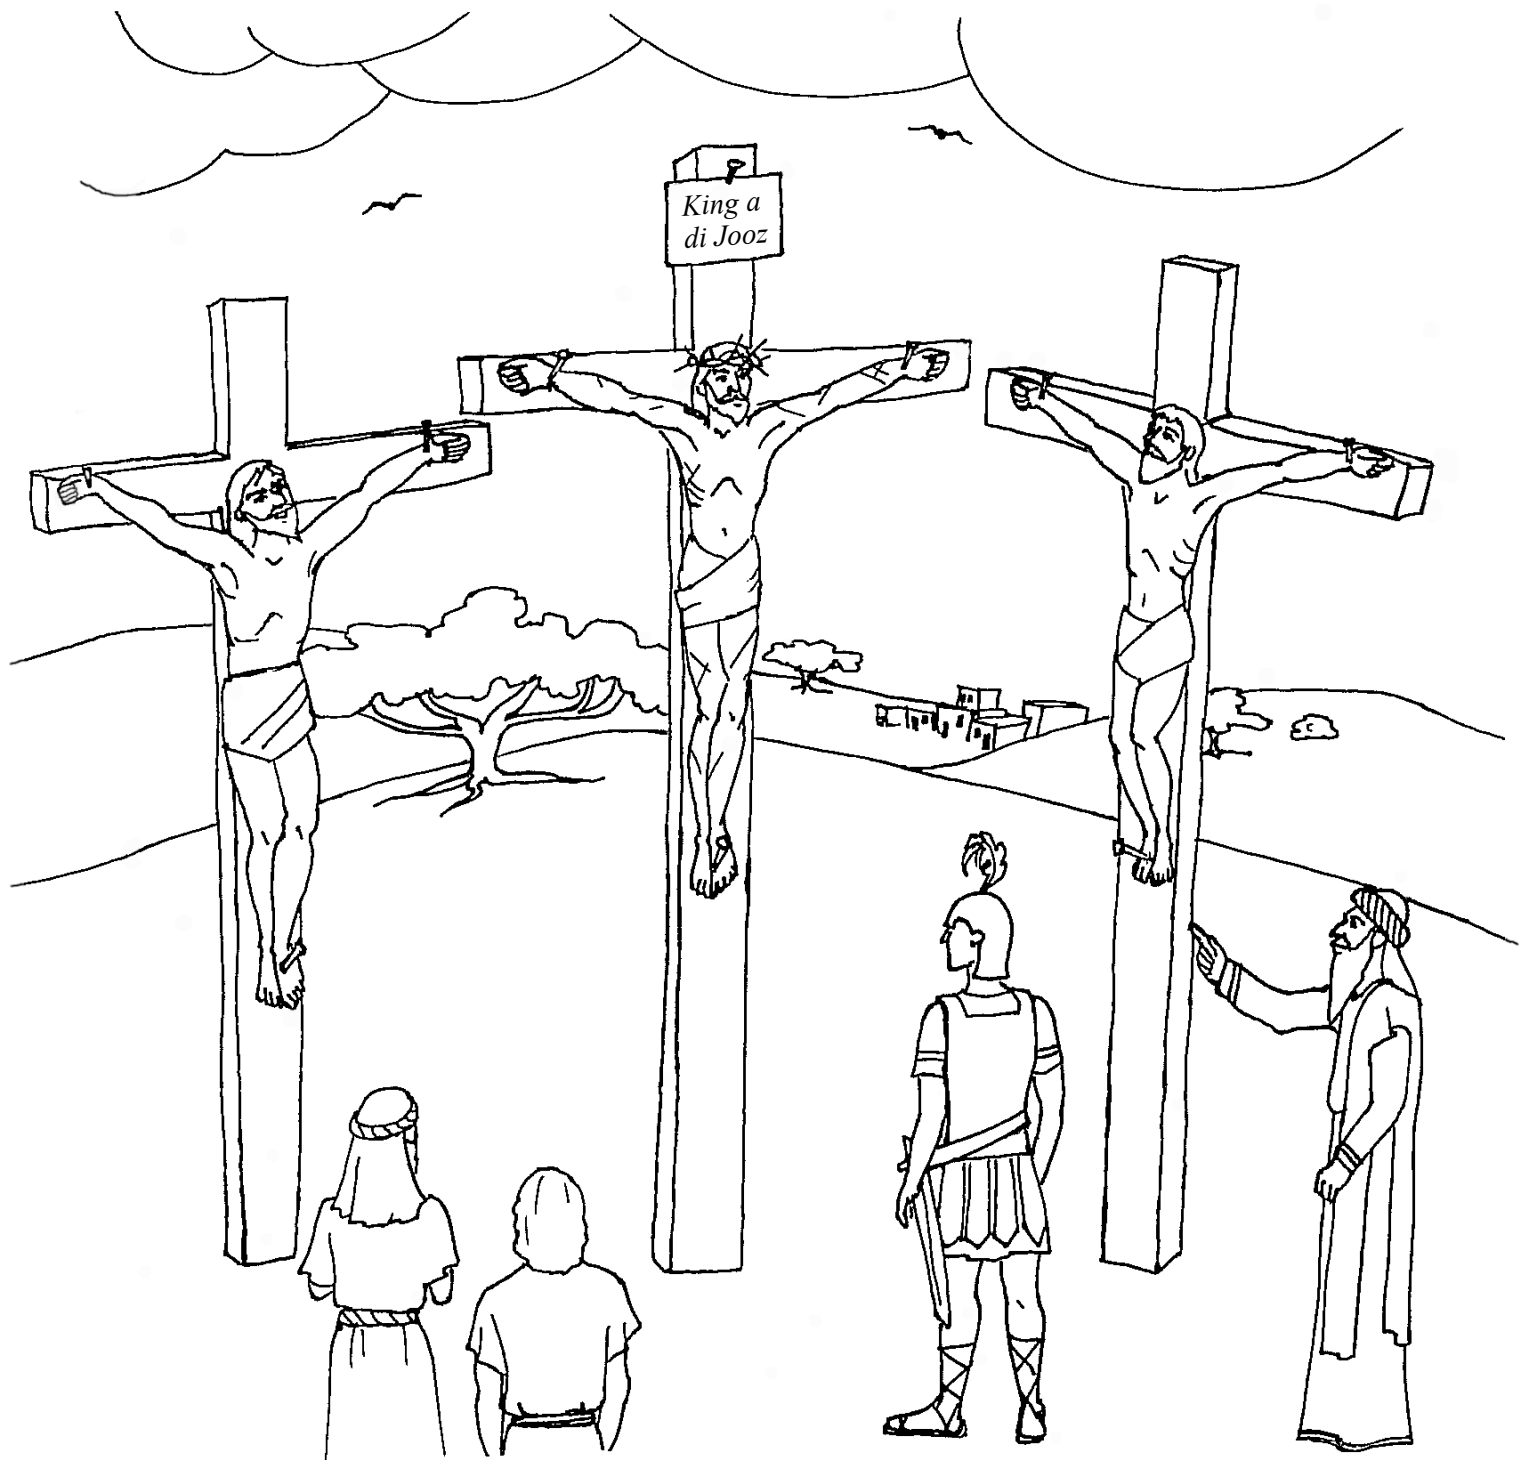

Soh fahn da day goh bak, dehn mi-di plan fi kil Jeezas.

(Jan 11:47-53)

Wen eevnin kohn Jeezas mi-di krak bak bai di taybl wid di twelv disaipl dehn. Ahn wail dehn mi-di eet, ih seh, “Ah di tel unu di chroot, wan a unu wahn sel mi owt.” Dis oanli bada di disaipl dehn. Soh wan afta di ada dehn staat aks ahn seh, “Ih kyaahn bee mee, rait Laad?” Ih ansa dehn seh, “Di wan weh wahn sel mi owt da di wan weh don dip ih bred eena di bowl wid mi.”

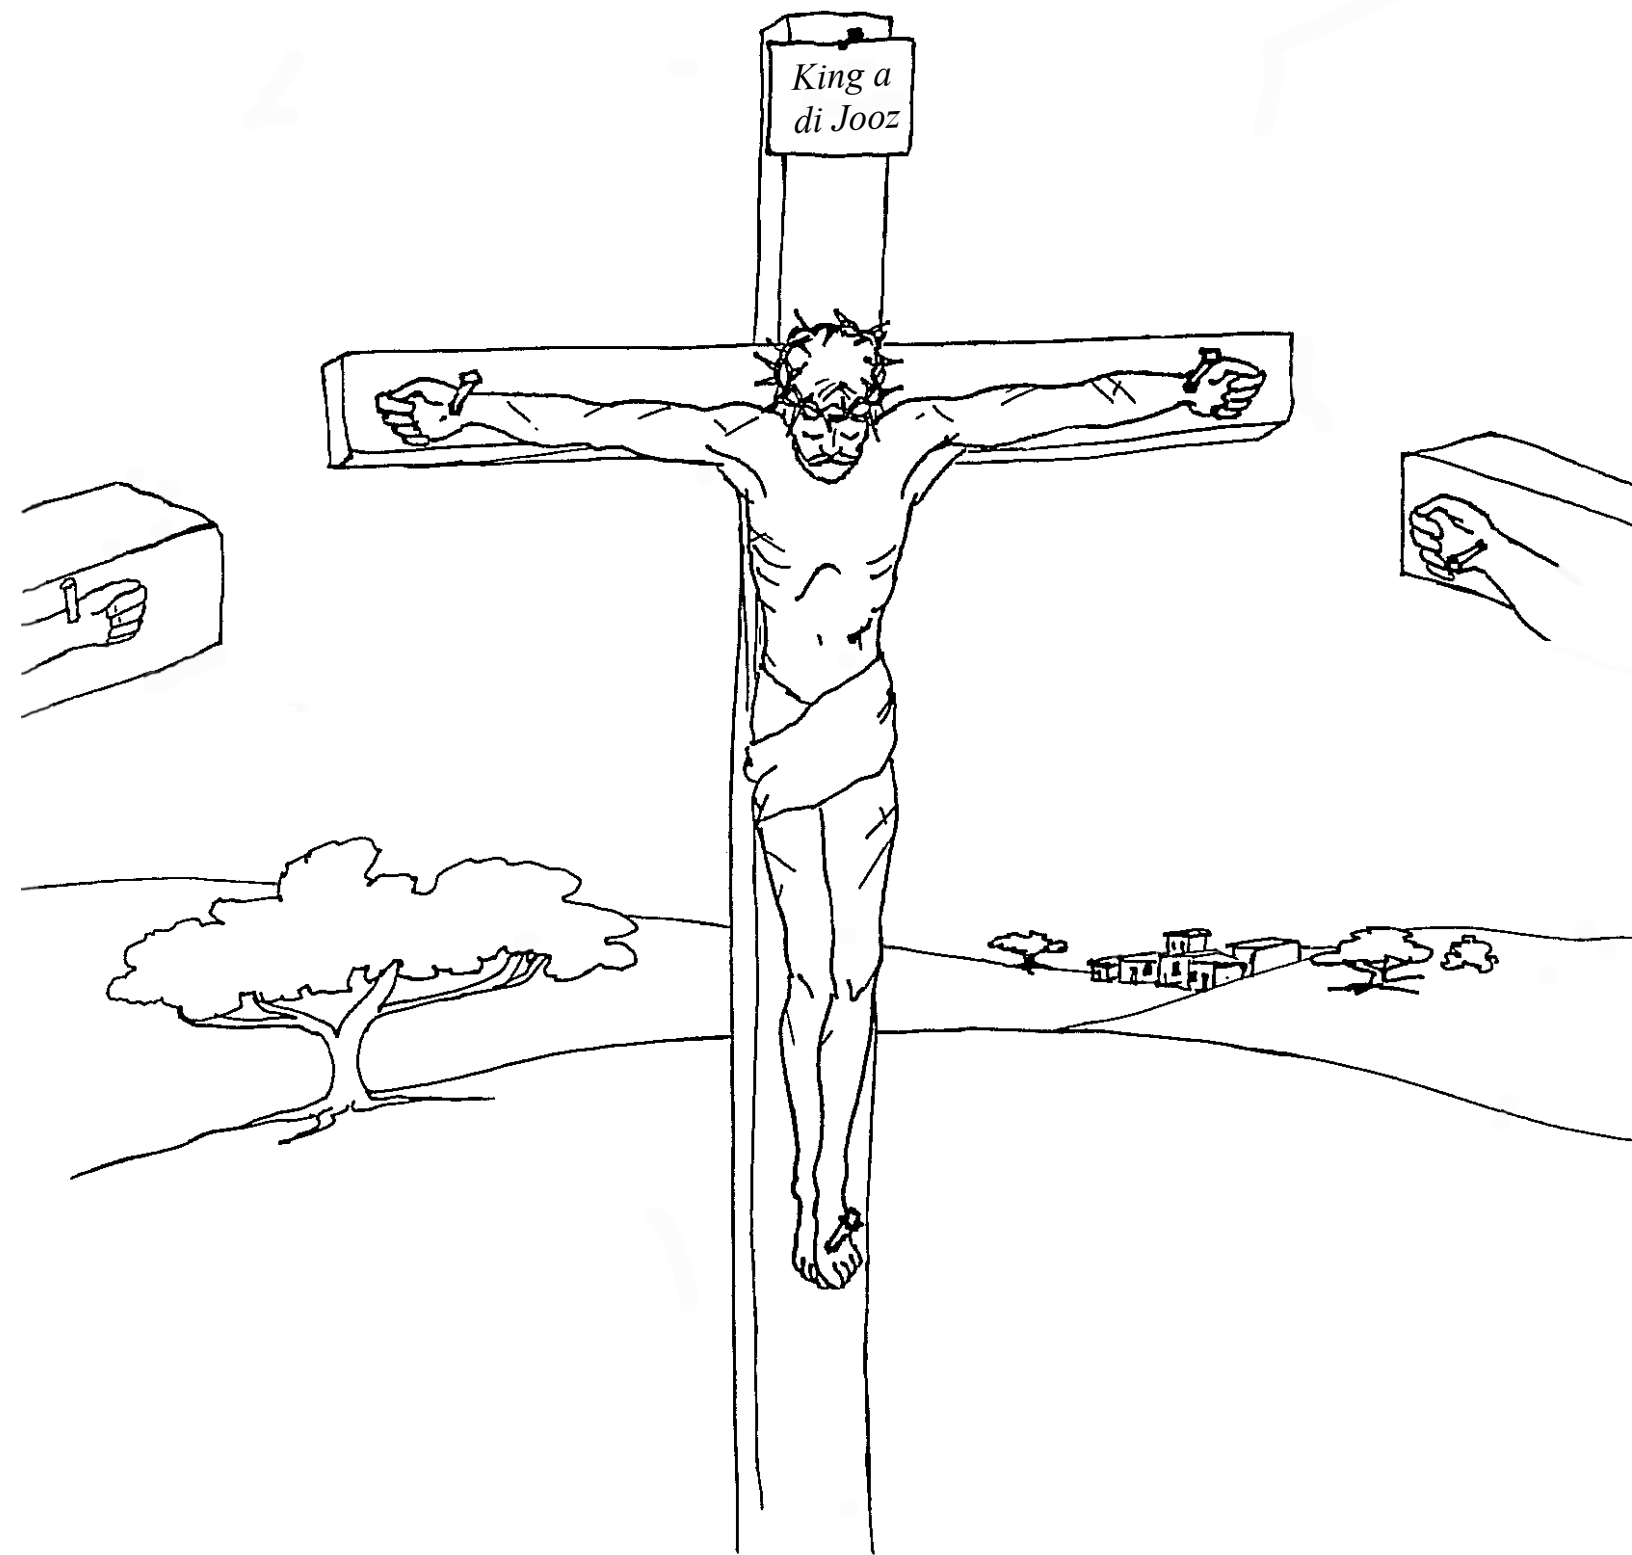

(Machyu 26:20-23)

Den di soalja dehn mi-di leed owt too kriminal fi goh geh kroosifai lang wid Jeezas tu. Wen dehn reech da di plays weh nayhn “Di Skol,” dehn kroosifai Jeezas lang wid di kriminal dehn, wan pahn ih rait ahn wan pahn ih lef. (Look 23:32-33)

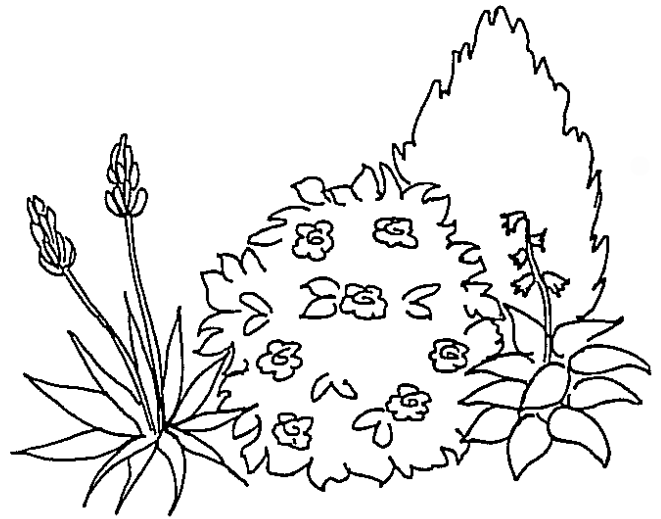

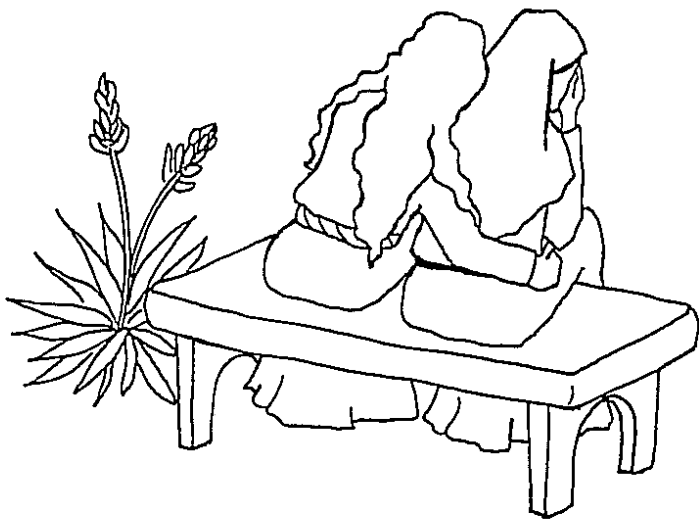

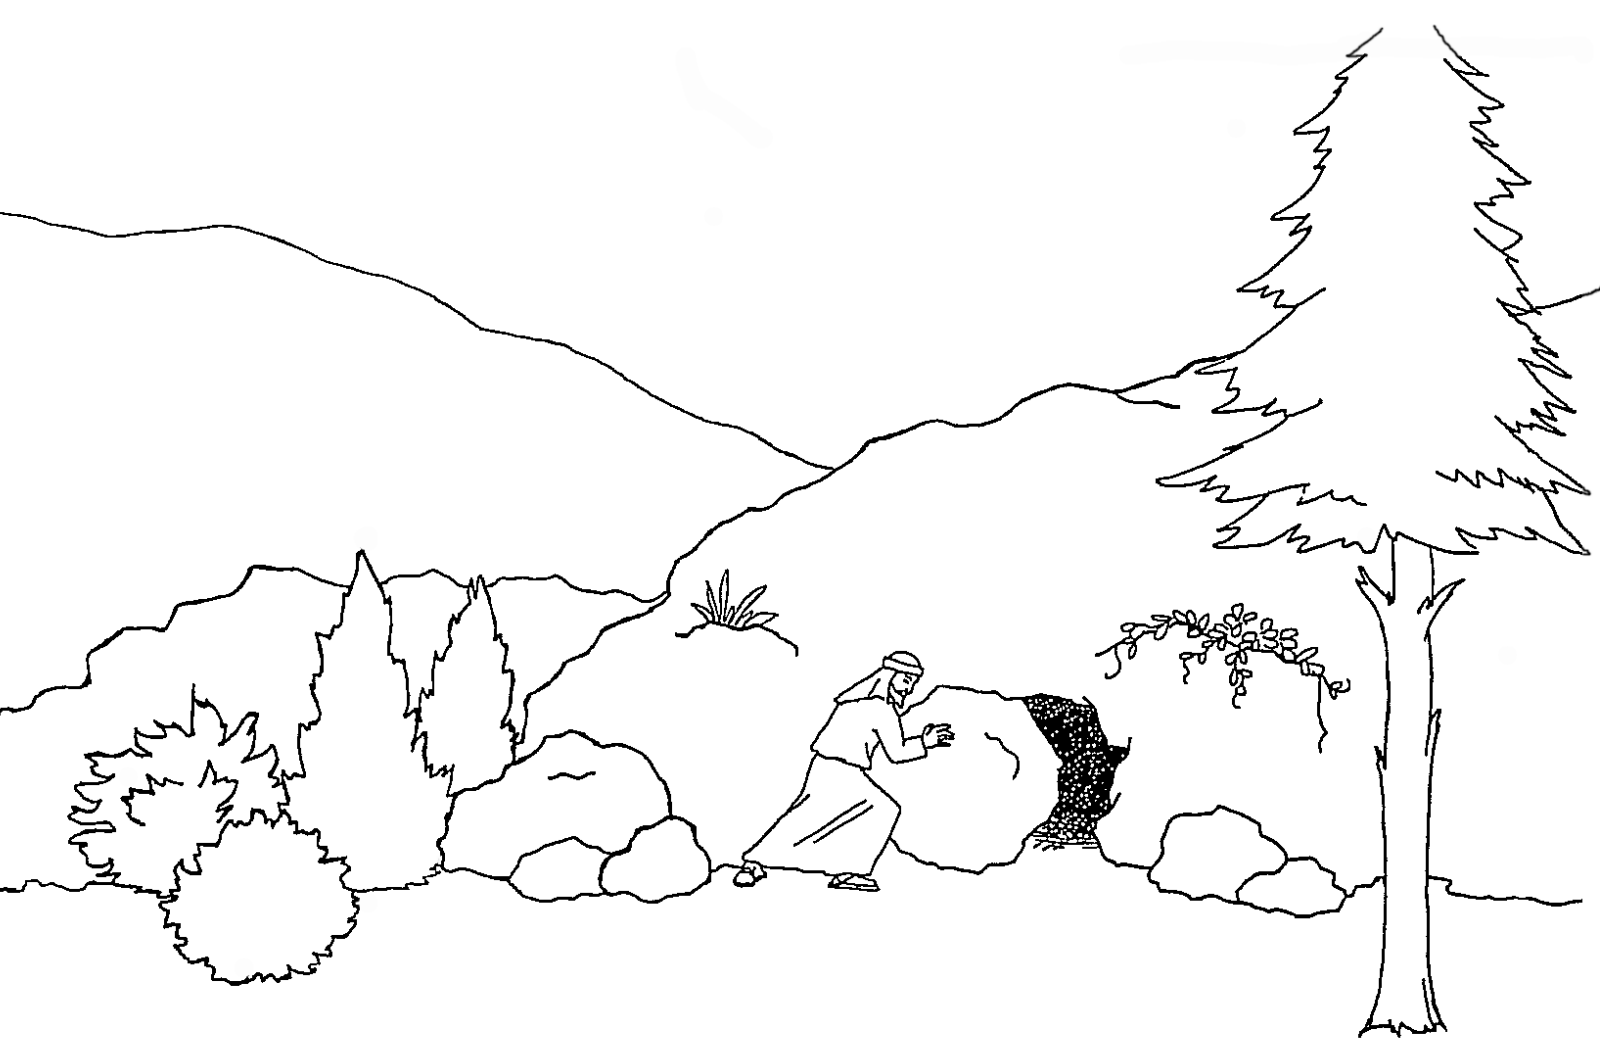

Wan a di kriminal dehn weh mi kroosifai saida Jeezas, staat tu insult op Jeezas ahn seh, “Yoo da noh di Mesaiya? Sayv yuself ahn sayv wee tu.” Bot di ada wan skoal ahn, ahn seh, “Yoo noh frayd fi Gaad evn doa dehn sentens yoo tu det sayhn laik hihn? Wee di geh egzakli weh wee joo sayka weh wee du, bot dis man noh du notn rang.” Den ih seh, “Jeezas, memba mi wen yu ton King.”

Jeezas ansa ahn seh, “Ah di tel yu di chroot, tudeh tudeh yu wahn deh wid mi eena Paradais.” (Look 23:39-43)

Bai now da mi big twelv aklak da day, ahn di hoal plays geh daak daak til chree aklak da aftanoon, kaa di son mi stap shain. Den di kertn weh mi heng op eena di templ tayr rait eena too. Jeezas hala owt haad-wan, “Pa, Ah di put mi spirit eena yu han.” Az soon az ih don seh dat, ih jraa ih laas bret.

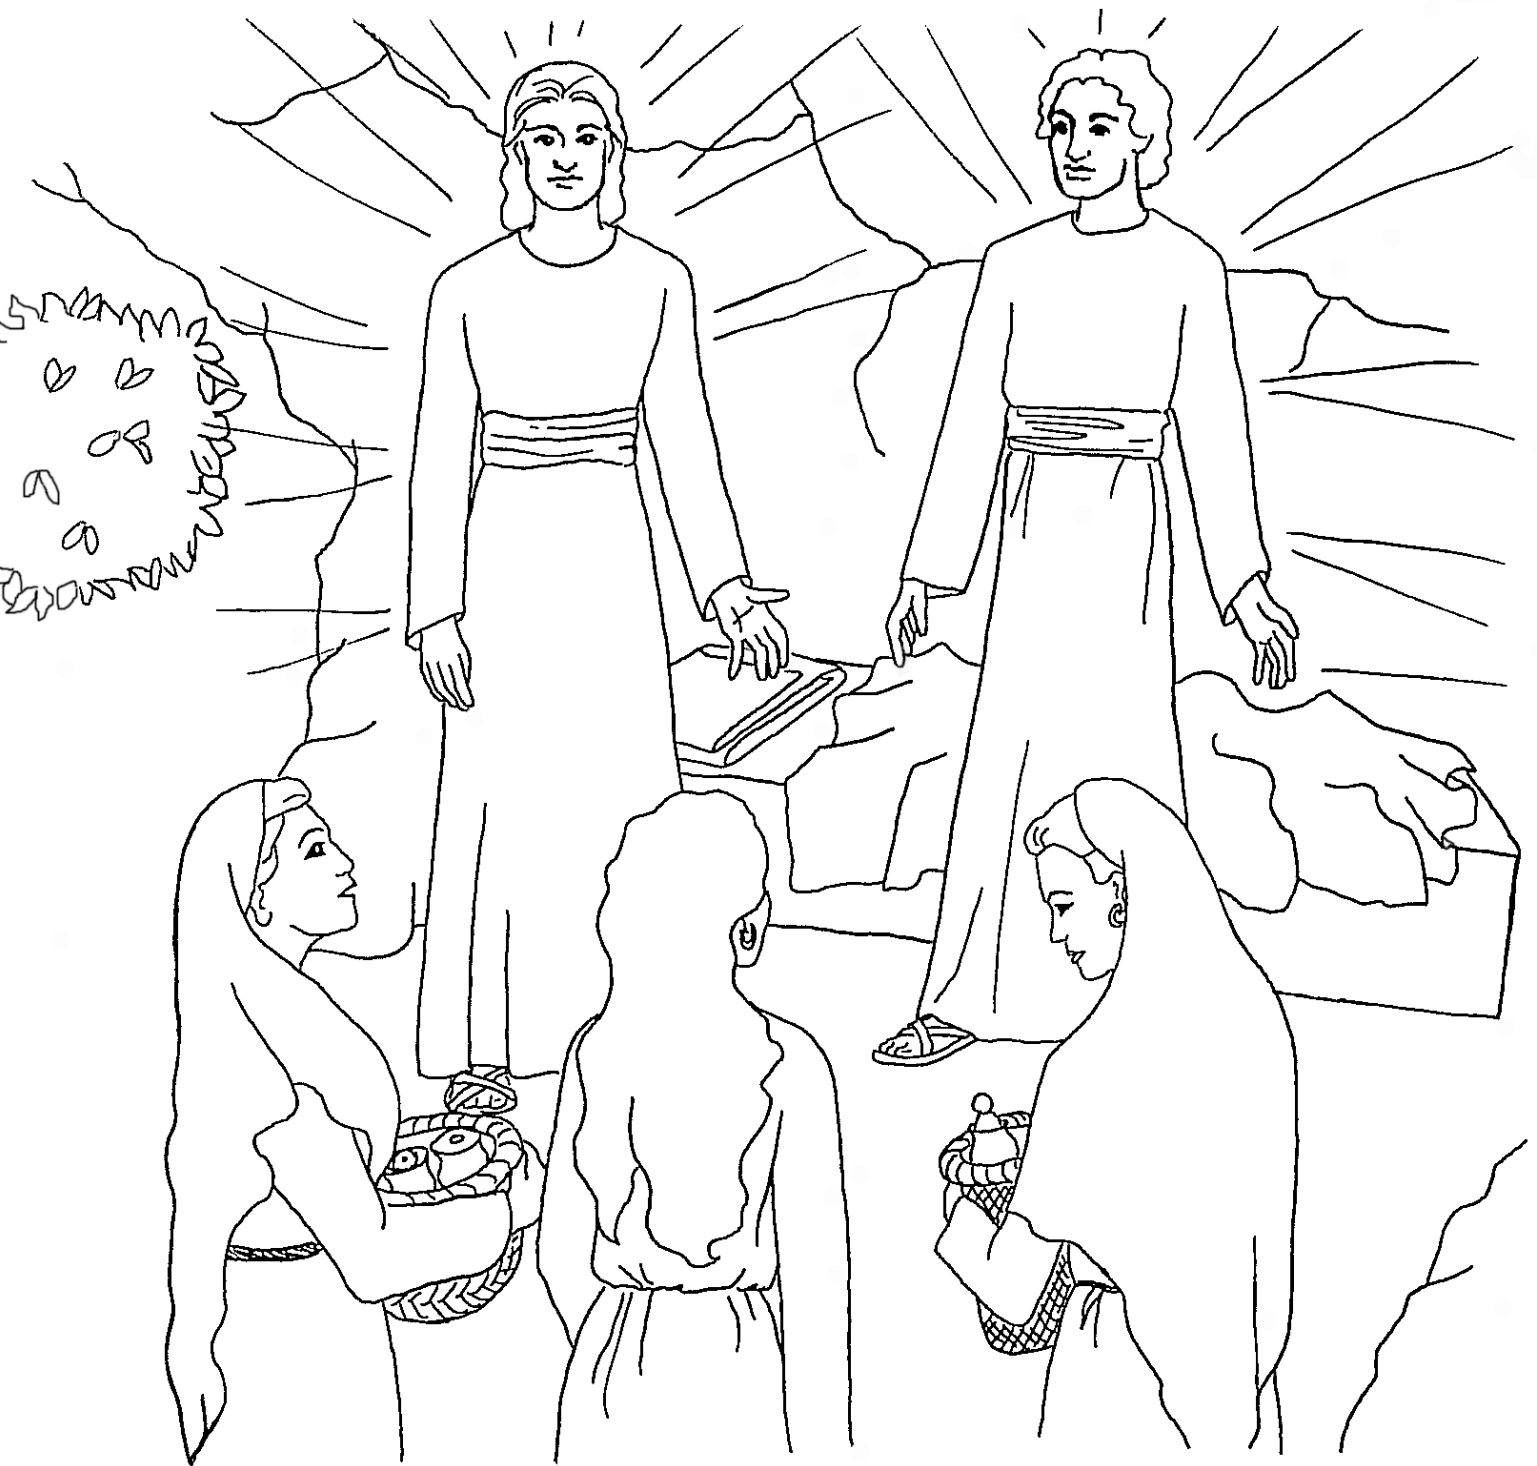

Di aami aafisa weh mi-di stan op deh si evriting weh mi hapm, an ih staat tu prayz Gaad. Ih seh, “Dis da-mi wahn gud man fi chroo.” (Look 23:44-47)

Now wahn rich man fahn Arimateeya kohn wen da-mi eevnin. Hihn mi nayhn Joazef an ih da-mi wan a Jeezas falowa dehn. Wel, hihn gaahn da Pailat gaahn aks fi Jeezas badi, ahn soh Pailat gi aadaz fi mek dehn gi ahn.

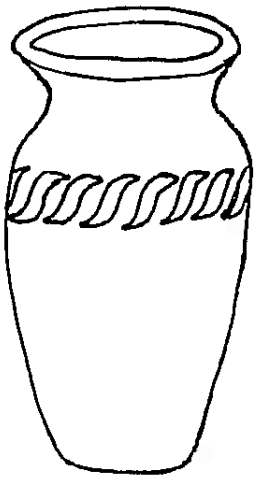

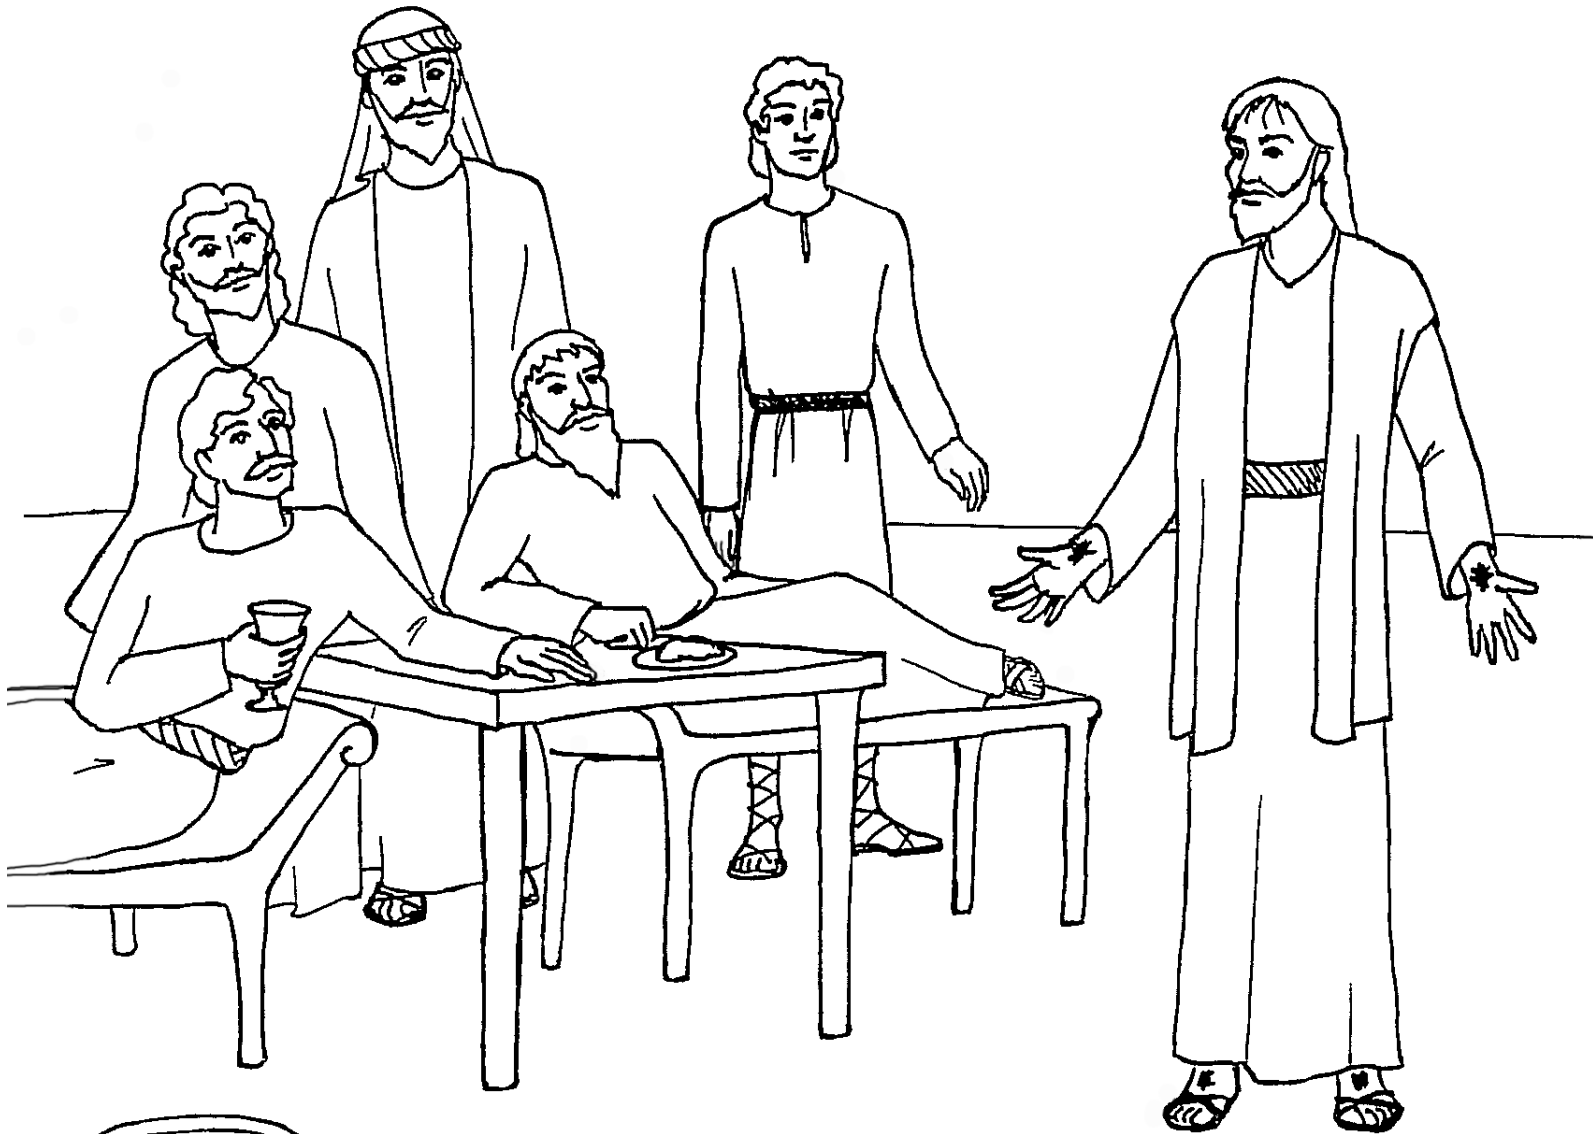

Joazef tek di badi ahn rap it op eena sohn kleen linin klaat. Ih put it fi lidong eena fi hihn oan nyoo toom weh ih mi dig owta wahn raki hil. Ahn den ih tek wahn big big stoon ahn roal it fronta di hoal, an den ih gaan. Mayri Magadleen ahn di ada Mayri mi-di sidong pahn di neks said a di toom.

(Machyu 27:57-61)

Soon-wan Sondeh maanin, di laydi dehn tek di sweet aintment dehn weh dehn mi fiks ahn dehn gaahn da Jeezas toom. Dehn fain owt dat sohnbadi mi don roal weh di stoaan fahn fronta di toom. Ahn wen dehn gaan eensaid, dehn neva fain di Laad Jeezas badi ataal.

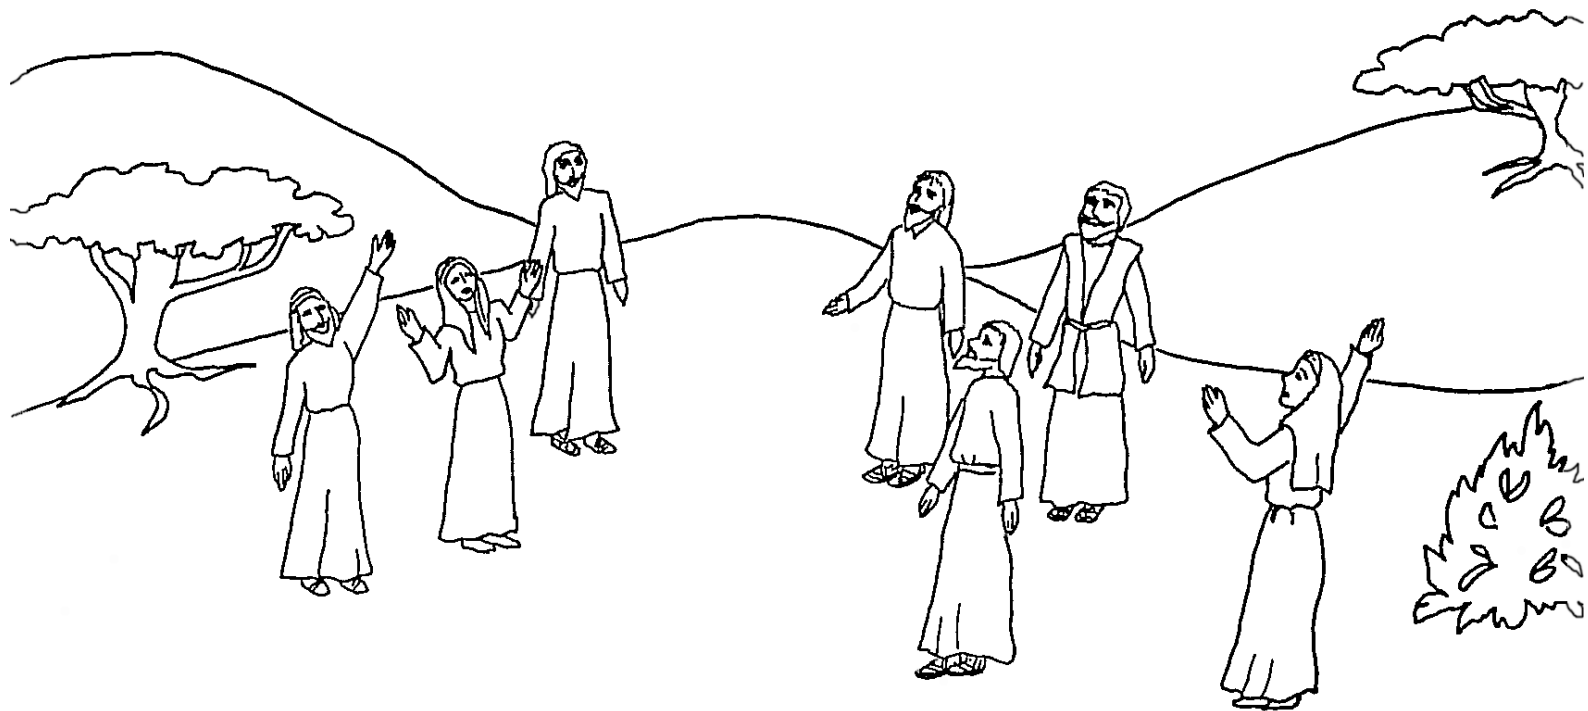

Wail dehn stil mi-di wanda egzakli weh gaan aan, sodn-wan too man mi dehdeh di stan op saida dehn. Dehn kloaz mi soh wait til ih hat di laydi dehn aiy an aal. Weh di laydi dehn mi soh fraitn, dehn hori bow dong fronta di man dehn til dehn fays toch di grong. Bot di man dehn aks dehn seh, “Wai unu di luk fi sohnbadi weh livin monks pipl weh ded? Hihn noh deh ya; hihn don rayz op bak fahn di ded! Memba weh ih mi tel unu wail ih mi stil deh wid unu da Gyalilee? Ih mi seh, ‘Di Son a Man wahn hafu geh han oava tu sohn wikid man weh wahn kroosifai ahn. Ahn chree dayz layta ih wahn rayz op bak fahn di ded.’” Den di laydi dehn mi jos memba dat Jeezas mi seh dat fi chroo. (Look 24:1-8)

Afta Jeezas apyaa tu di too man dehn pahn di road tu Emayos, dehn get op sayhn taim ahn gaahn bak da Jeroosalem. Dehn fain di ilebm apaasl dehn wehpaa dehn mi gyada wid di res a dehn groep. Dehn tel di too man dehn, “Di Laad kohn bak fahn di ded fi chroo! Ih apyaa tu Saiman Peeta!” Den di too man dehn tel dehn weh mi hapm pahn di way tu Emayos, how dehn mi rekonaiz Jeezas wen ih brok di bred.

Wail dehn mi-di taak bowt weh mi hapm, Jeezas ihself stan op monks dehn ahn seh, “Pees deh wid unu!” Dehn mi oanli fraitn, ahn dehn mi tink seh dat dehn mi-di si goas! Jeezas aks dehn seh, “Wai unu di wori unusef? Wai unu neva bileev eena unu haat? Luk pahn mi han ahn fut dehn. Si, da mee! Toch mi ahn si. Wahn goas noh ga flesh ahn boan laik weh unu si Ai gat.” Wen ih seh dat, ih shoa dehn ih han an ih fut dehn.

(Look 24:33-40)

Ih tel dehn seh, “Dis da weh rait eena di Skripcha: di Mesaiya wahn sofa, ahn den ih wahn rayz op bak fahn di ded chree dayz aftawodz. Staatin fahn Jeroosalem, den tu aala di ada nayshan dehn, dehn wahn preech dat eena fi hihn naym Gaad wahn fagiv evribadi weh ton fahn dehn sinz. Unu deh ya fi witnis aala dehnya ting weh hapm. (Look 24:46-48)

Den Jeezas leed dehn owt az faar az Betani, ahn den ih lif op ih han dehn ahn bles dehn. Wail ih mi-di bles dehn, ih lef dehn ahn Gaad kehr ahn op da hevn. (Look 24:50-51)

“Yu si, Gaad lov di pipl dehn eena dis werl soh moch dat ih giv op ih wan ahn oanli Son fi dehn, soh dat enibadi weh put dehn fayt eena ahn wahn neva ded; insted a dat, dehn wahn liv wid Gaad fareva. Gaad neva sen ih Son eena di werl fi kandem pipl, bot ih sen ahn fi sayv dehn. Gaad noh wahn kandem non a dehn wan weh put dehn fayt eena ih Son, bot dehn wan weh noh bileev eena ahn don kandem lang taim, kaa dehn neva put dehn fayt eena Gaad wan ahn oanli Son. (Jan 3:16-18)

If wi seh wi noh ga no sin, wi oanli di fool wiself, ahn wi noh ga di chroot eena wi haat. Bot if wi kanfes wi sinz tu Gaad, hihn wahn fagiv wi, kaa wi ku chros hihn fi du weh rait. Gaad wahn fagiv wi sinz ahn kleen owt aala di wikidnes owta wi haat. (I Jan 1:8-9)

Jeezas ansa ahn seh, “Da mee da di way, da mee da di chroot, ahn da mee da di laif. Di oanli way pipl ku kohn tu Gaad di Faada da fi kohn chroo mee. (Jan 14:6)

“Aala unu weh taiyad a kehr unu hevi load, kohn da mee an Ah wahn mek yu res. Aksep weh Ah teech yu, ahn laan fahn mee kaa Ai payshant ahn jentl, ahn yu wahn fain res fi yu soal. Weh Ai teech eezi fi laan, ahn weh Ai tel yu fi du eezi fi du.” (Machyu 11:28-30)

Now Jeezas mi du lat moa mirakl fronta ih disaipl dehn, bot dehn noh rait dong eena dis buk ya. Bot aala dehn ting mi rait dong soh dat unu ku bileev dat Jeezas da di Mesaiya, ahn dat hihn da Gaad Son. Ahn wen unu bileev eena fi hihn naym, unu wahn ku ga reel laif weh wahn laas fareva. (Jan 20:30-31)

Ai da Alfa ahn Omayga, weh da di Fos ahn di Laas. Da mee staat evriting ahn da mee mek evriting kohn tu wahn en. (Di Revilayshan 22:13)
