

Calendar - National

Since the 1980s national Hispanic organizations have hosted events in Washington D.C. that have grown into major annual events - CHCI Gala, Hispanic Heritage Awards, National Hispanic Foundation for the Arts, etc. These black-tie elegant evenings are designed to showcase the beauty, artistry, and legends of our community while telling our stories to the country. Please note that many of these events by invitation only, may require a ticket or pre-registration. For consideration into the calendar or a social media posting of your event please contact hello@argus-events.com
