Classroom Connection Circles Training

Manage classroom behaviors and prevent discipline problems before they start or before they escalate!

Restorative Justice Conferencing Training

*Reduce school discipline problems by 50-65%
Get students to take responsibility for their actions and behaviors!
Reduce teacher burnout!*

Address interpersonal conflicts, class disruption, disrespect of teachers, bullying, verbal and physical conflicts, theft, damage to property, internet harassment and attendance issues, RJ Conferencing gives students a chance to repair the harm and make better choices in the future.
