

## Tutela Overwatch Security Consulting

---

### Contracting Capabilities Statement

#### Company Overview

Tutela Overwatch Security Consulting is a premier provider of comprehensive security solutions, specializing in risk management, threat assessment, and protective strategies. Our mission is to empower organizations with the highest level of security expertise to navigate and mitigate risks in a dynamic threat environment. Our team includes former Special Forces, Law Enforcement, and Military Intelligence experts, ensuring unparalleled insights and capabilities in safeguarding our clients.

#### Core Competencies

- **Risk Assessment & Management:** Conduct thorough risk assessments to identify vulnerabilities and threats. Develop and implement customized risk management strategies to mitigate potential impacts.
- **Threat Intelligence & Analysis:** Provide actionable intelligence and detailed analysis to preempt and respond to emerging threats. Employ advanced tools and methodologies to stay ahead of potential risks.
- **Security Planning & Implementation:** Design and implement comprehensive security frameworks, including physical security measures, cybersecurity protocols, and emergency response plans.
- **Incident Response & Recovery:** Deliver rapid incident response services to manage and contain security breaches. Develop and execute recovery plans to minimize downtime and restore normal operations.

- **Compliance & Regulatory Support:** Assist organizations in navigating complex regulatory environments and achieving compliance with industry standards and legal requirements.
- **Training & Awareness Programs:** Offer customized training programs to enhance staff awareness and preparedness. Focus on best practices for maintaining security and responding effectively to threats.
- **Physical Security Assessments:** Evaluate and enhance physical security measures, including access control systems, surveillance equipment, and facility security protocols. Provide actionable recommendations to fortify physical barriers and safeguard assets.
- **Foreign Travel Briefings:** Provide pre-travel briefings and on-the-ground support for employees and executives traveling abroad. Deliver critical information on local security conditions, cultural considerations, and emergency procedures.
- **Digital Forensics:** Conduct thorough digital forensic investigations to uncover, analyze, and preserve electronic evidence. Certified in leading forensic tools, including Cellebrite, Magnet Forensics, and GrayKey, ensuring comprehensive and accurate data recovery and analysis.

## **Specialized Expertise**

**Former Special Forces:** Tactical expertise and strategic acumen from high-stakes environments.

**Military Intelligence & Counterintelligence:** Advanced threat analysis, counterintelligence strategies, and insider threat detection.

## **Certifications**

- Cellebrite Certified Examiner (CCEI)
- Magnet Forensics Certified Examiner
- GrayKey Certified
- ASIS CPP Certification – Member of ASIS International

## **Differentiators**

- Elite team of former Special Forces, law enforcement, and intelligence professionals
- Tailored security solutions aligned with client needs
- Advanced technologies for threat detection, analysis, and response
- Proven track record across government, corporate, non-profit, and international sectors
- Comprehensive offerings that integrate digital, physical, and operational security
