What Is Behind the Stories: Resurrection

From the Interim Pastor's Desk...

By Pastor Robb Kosky

The biblical stories of Jesus' resurrection are a strange lot, full of angels, earthquakes, mistaken identities, fear, amazement, and perplexity. This isn't surprising, given that these stories reflect the disciples' memories of an extraordinary event which took place during a time of heightened emotions, and all the more so in that they were recorded decades after they took place.

At the Empty Tomb

All four gospel writers record the women going to the tomb early on the first day of the week, finding the stone rolled away from the entrance, and the body of Jesus gone. Matthew adds an earthquake and an angel as a means of moving the stone, whereas the others just leave the stone's removal as a mystery overshadowed by the missing body of Jesus.

After the discovery of the missing body, John shows Mary Magdalene running back to inform Peter and John of this disturbing discovery. The other Gospels include an explanation of what has happened given by either one or two men in dazzling robes or by the angel who had just moved the stone and sat upon it.

Luke (and John) tell us that Peter (and John) went to investigate, but they only manage to verify what they had already been told by the women.

Jesus Appears (or not)

Mark ended his Gospel at this point – the women are afraid and flee from the tomb – and that's it. (Some time later, a couple of other endings were added to Mark, in which the risen Jesus actually does show up. Apparently, Mark ended his Gospel on the principle of "Blessed are those who have not seen and yet have come to believe" as Jesus says to Thomas in John's Gospel.)

Matthew, Luke, and John all tell us stories of the resurrected Jesus appearing to the disciples, but these are all quite different. Twice, Jesus shows up outside of the tomb – either to Mary Magdalene (in which she doesn't recognize him until he says her name) or to the women in general. Mark indicates that Jesus will meet the disciples back in Galilee and Matthew actually shows us such an appearance.

In another case of mistaken identity, Luke has two disciples walk for miles talking with Jesus and not recognizing him until they sit down to dinner and Jesus breaks and blesses the bread – at which point he disappears. At other times, Jesus shows up to the disciples in locked rooms and even fixes breakfast for them on the shore of the Sea of Galilee.

AV System Update

We have contacted 3 companies. To date we have received 2 bids to update our AV system. One company, Metro Sound, is located locally in Mukwonago, WI. The second company is in Indianapolis, IN. The Indianapolis company's bid was substantially higher. Our AV system is comprised of multiple components. The price we pay depends on which components we replace. Some of our AV components need to be replaced more critically than others. Robbyn discussed the potential AV components to be replaced. Money, of course, will limit our AV expenditures. There ensued a discussion of the potential financial resources that could be used to pay for the AV system. We need 50% of the dollars before we sign a contract. If things go well, hopefully we could sign a contract in early fall. The Council advised Robbyn to definitize a specific proposal itemizing which AV items must be replaced and why plus their associated cost, and which AV items it would be prudent to replace and why, plus their associated cost. When the proposal is complete, it needs to be presented to Council for vote. It is also anticipated that if the Council votes to proceed with the proposal, a Congregational Meeting would need to be scheduled.

Endowment Fund

Stephanie Sorenson, representing the Endowment Fund, presented the 2024 and the prospective 2025 Endowment Fund Distributions. In 2024 the Endowment Fund made a distribution of \$4,600 with \$4,140 going towards the front steps and \$460 going towards outreach. In 2025 the prospective 4% distribution is \$4,847.76; rounded up to \$4,900. 90% of which is \$4,410 which would be given to upgrade the sound system and 10% of which is \$490 which would be given for outreach.

Worship Update

Holy week: We will process into the Church on Palm Sunday from either the narthex or outdoors depending on the weather. The Passion readings will take place on Palm Sunday and Maudy Thursday.

Introduce Treasurer

Julie Kastenson was introduced to the Council.

Stewardship Updates

The Stewardship Committee met in March and April, and will meet again on May 18th at 9:15am. They recommended making the Simply Giving form more readily available.

Financial Update for March 2025

Giving with both eyes open. By this, I mean, focusing on the two ways of giving your offerings to the church.

One eye can focus on the need of our congregation to meet its Ministry Plan, pay the bills, and have the healthy financial life needed to fulfill our mission of growing committed followers of Jesus Christ.

Meanwhile, the other eye can focus on applying our mission to our own lives by asking the question, "How do my offerings to God help me to grow in my commitment to following Jesus Christ?" This has nothing to do with the budget, but it has everything to do with what we give and why we give. When we give for the sake of Jesus Christ and the mission we share, we grow in our commitment to Christ and our mission. We may give things other than money, but it is necessary to give money because of the power money has in our culture. Likewise, we may give to places other than the church, but it is necessary to give to the church because we are the disciples called to this ministry at North Cape Lutheran Church.

Thank you to all of you who have taken the time and effort to grow in your offerings to North Cape this year. We are catching up to our expenses for the year but are still behind what is needed for our annual Ministry Plan.

Intentional, planned, regular, and generous offerings will make all the difference for North Cape this year. According to our annual Ministry Plan, our expenses average nearly \$6,300 per week. Thank you.

	Mar. 2024	YTD 2024	Mar. 2025	YTD 2025	2025 Ministry Plan to Date

Doubt and Belief

This strangeness and inconsistency of the stories have led people both to doubt and to believe in the resurrection of Jesus.

On the one hand, why did people who knew Jesus well not recognize him, and how could he simply appear in locked rooms? On the other hand, if the stories all agreed, it would seem like the 'witnesses' in a crime drama who are trying to get their story straight. The fact that there are so many different stories shows that there were many different traditions and memories of Jesus appearing to the disciples.

I don't think the resurrection of Jesus is simply about believing in it or not believing in it. Instead, it is about faith – "the assurance of things hoped for, the conviction of things not seen." (Heb 11:1) In Mark's Gospel, a father brings his son to Jesus to be healed and declares "I believe; help my unbelief!" (Mk 9:24), and in Matthew, when the resurrected Jesus appears to the disciples, we are told that "When they saw him, they worshipped him; but some doubted." (Mt 28:17)

I believe in the resurrection of Jesus – that God raised Jesus from the dead and therefore that death has been conquered. *I think* that the stories are strange, and I have a lot of questions about those events and few answers. *I have hope* in God's love, mercy, forgiveness, and power, that God is active in our lives and that in death we will rest in the hands of God. *I have faith*, not a modern or scientific proof that precludes all questions and eliminates all doubts, but a trust in the God I have come to know through Jesus Christ.

In Christ's Love and Grace,
Pastor Robb

Thank You

To the church parking lot angels that helped me after my fall, I am so thankful you were there to come to my aid. One fractured shoulder later, I'll be healing for a while. Love, -*Chris Poorman*

Financials

The March Financial update was discussed. At the end of March 2025 NCLC has received year to date General Fund Offerings of \$60,604. The 2025 General Fund Expenses at the end of March were \$60,697. This is a deficit of \$93. We had a very good month of March. We are grateful.

NCLC Memorial Funds were discussed. Specifically, the Pam Rehberg Memorial fund was donated several years ago with her wish the money be used for the NCLC Youth. In accordance with Pam Rehberg's wish it was proposed the money in her memorial fund be transferred to pay for the Youth Director's salary. The motion was seconded and passed.

WELCA Tammy Bauman and Kay Lecus are chairing the Salad Lunch.

Property Property trapped a racoon who had moved into the parsonage. The septic system is scheduled to be pumped before the Salad Lunch.

Youth The youth group will provide the Easter Breakfast for the church from 8-9:30.

who request the campership. Just alert the church office and we will work with you to have those funds sent to Lutherdale. This memorial fund is administered by NCLC.

NEW! The Wittenberg family has set up a scholarship fund for Lutherdale campers. All North Cape youth are encouraged to consider attending camp and applying for a scholarship.

Mark and Tami have taken their grandkids for the past several years to the Lutherdale family camp (July 12-13, 2025), which welcomes families of all shapes and sizes for a weekend camp experience. They've always had a wonderful time. Lutherdale also has more traditional week-long or shorter youth camps.

Church camp was always a really meaningful adventure for Mark and Tami's daughter, Christa, as a kid. According to Christa, camp allowed her to truly feel her faith while also having fun with other kids in a safe space. The Wittenberg family would love to support North Cape youth in finding similar faith experiences. Please consider and send your submission for scholarships annually to Christa Wittenberg by June 1st. (CDWittenberg@Gmail.com)

Scholarship forms can be found on the Youth Board outside the church office. This scholarship can be used toward partial or full fee coverage and can be used along with the Smerchek Funds. It is not administered by the church, and funds disbursed will be awarded on a rolling basis.

North Cape Lutheran Church invites you to participate in our golf outing to be held at **Muskego Lakes Country Club on Friday June 20th, 2025**. We are seeking sponsorships and prize contributions for our event. Your tax-deductible contribution also benefits your organization through direct consumer reach and signage at our event. Details regarding levels of sponsorships and how your organization can participate are outlined below. North Cape Lutheran Church is a vibrant and welcoming church community in western Racine County. If you live or travel in the area you are likely familiar with our beautiful church that has graced the countryside of Highway 45 just outside of North Cape since 1850. *Funds raised at our event will be designated for an updated video/audio system for the church.*

With expectations of 175 in attendance for the post-golf banquet, we think we have planned an event that provides our sponsors with a great opportunity to support a worthy cause while receiving recognition for your organization. We thank you for participating in our fundraiser whether by golfing, sponsoring, dining or all/any of the above!
