## Following Jesus in the 21st Century – Part 1

*From the Interim Pastor's Desk...*

*By Pastor Robb Kosky*

### **The Twelve**

When Jesus called Peter, and Andrew, and James, and Matthew, and Phillip, and Judas, and Thomas, and the others of the 12, he called them to follow him, to be his disciples, to live and travel along side of him, and to learn from him a new way of living in the world. This new way had to do with loving not just your friends and family, but also your enemies, with turning the other cheek, with forgiving others as we have been forgiven by God, with feeding those who are hungry, with bringing healing to others, and with caring for the outcasts and the needy. Jesus taught his disciples to store up for themselves treasures in heaven rather than treasures on earth and to live our lives in the Kingdom of God, which is already “at hand,” or present all around us.

The disciples were called to what Dietrich Bonhoeffer termed a “costly” discipleship. They gave up their businesses, their homes, their communities, and eventually even their lives for the sake of following Jesus.

### **The Times Have Always Been A-Changin’**

This makes for a stark contrast to the church in the United States in 2025. We, of course, cannot follow Jesus in the same way as the original 12 disciples did 2000 years ago, and we have inherited traditions and structures from medieval and reformation Europe as well as those that have grown up on our own soil in recent centuries. The buildup of these customs has led to a Christian life which tends to be more self-serving and anemic than the discipleship of the early church. It is a Christianity which has often become more focused on building up and serving our congregations than on making disciples of Jesus. This, I believe, has led to many of the challenges our congregations face today.

Now, I don’t want to sound like I am blaming our congregations or our parents and grandparents or accusing them of not being better Christians. My point is that it is difficult to live as Christians in our world, and the challenges we face today are different from the challenges Christians faced 50 or 100 or 200 years ago. Consequently, our church cannot look or act the same way as the church did at those times anymore than we can follow Jesus the same way as the disciples of 2000 years ago.

So, where do we go from here? How are we called to live our Christian lives in our present time and place? What is Jesus calling us to and are we listening? More next month.

In Christ’s Love and Grace,  
*Pastor Robb*

**Attendees:** Pastor Robb Kosky, Les Gumieny, Mark Ehleiter, Kathy Paul, Julie Kastenson, Linda Spencer, Jeff Willms, Maggie Techert, and Wyatt Hoffmann.

**Meeting called to order by President, Les Gumieny.**

**Consent Agenda and May Minutes Approved**

### Memory Café—Cindy Welch

Cindy Welch is requesting permission to start a Memory Café at NCLC. It would be one meeting per month for approximately 2 hours. The strategy would be to provide a musical performer for the patients. Caregivers would meet with a volunteer to provide a respite for the caregivers. Lite snacks would be provided. ADRC provides the structure for the cafés. Yorkville United Methodist Church already has a Memory Café. This would give caregivers a choice of dates if there was a second Memory Café in the area. Council approved Cindy Welch's request and advised her to coordinate with Ann's church calendar.

### AV System Update

Robbyn Wilks obtained a price from Metro Sound located in Mukwonago, WI to update multiple components of our AV system. She presented this at the June 8th Congregational Meeting. The voting results of the Congregational Meeting follow: The option to replace the AV/Sound equipment totaling \$85,796 passed. The option to purchase a second screen and projector for the north side of the sanctuary for an additional \$15,862 failed. The option to purchase a Confidence Monitor for the back of the church for an additional \$4,850 narrowly failed.

### Worship Update

A wedding ceremony will be held in the pavilion on June 21, 2025. The 9am June 22 worship service will be held in the pavilion. There will be another cook out and worship service in the pavilion July 12th and July 13th respectively. Informal Bible studies are being held after our Sunday service.

### Community Cook Out

45 people attended the June cookout. There will be another cookout in the pavilion July 12th from 5-8 pm. The August cookout will be hosted by the El Salvador committee, the date to be determined. September 6th will be the final cookout date. A committee will be organized to celebrate NCLC's 175th anniversary to coincide with that date. There will be no fish boil this year.

### Stewardship Update

The Stewardship committee will meet tomorrow (June 11th) at 6:30 pm.

### Mission Trip

The Mission trippers are leaving on Sunday, June 22nd, at 5 am. They will return the following Sunday. There is a paid spot available.

*Council Minutes continued from Page 2.*

## Financials

General Fund Offerings YTD May 2025 are \$112,586. Compare that to General Fund Offerings YTD May 2024 of \$82,963. General Fund Expenses YTD May 2025 are \$112,570. Therefore, thru May 2025 our offerings exceed our expenses by \$16. Compare this to YTD May 2024 expenses of \$117,927 when May 2024 expenses exceeded our offerings by \$34,964. Our financials YTD thru May 2025 have improved. There was further discussion of the need to pay a portion our benevolence dollars and the bank statements.

## WE Energies Easement

NCLC is one of the properties on Raynor Avenue that WE Energies is requesting an easement to lay its pipeline. NCLC has until August 5, 2025 to respond. Jeff Willms has investigated the request and has recommended we sign it.

## Action Items

- ⇒ Ann - Schedule the July 12, 2025 cookout
- ⇒ El Salvador Committee - Set the August cook out date so this remaining date can be provided to Wyatt Hoffmann so he can make the signs.
- ⇒ Julie – pay benevolences and get access to the NCLC online credit card account.

## Thank You!

The golf outing committee would like to thank everyone who helped with the 2025 golf outing held on June 20th at Muskego Lakes Country Club. This great event is not possible without the volunteers to help coordinate and run the event, sponsors and donors who provide great financial support, golfers and diners who participate in the day's events, the bakers who provide cupcakes or cookies, North Cape Xpress for playing at the banquet, and everyone who supported this event. Thank you!!!! Watch for updates on this year's earnings and next year's date and location. This year's proceeds benefit the AV/Sound upgrade.

## July Worship Schedule

During the summer we have one service on Sundays at 9:00am. This schedule runs through Labor Day weekend. We will have outdoor worship on Sunday, July 13th. Livestreams of services are available on our YouTube channel for all services. We were able to stream the June outdoor service, so we will be able to stream future outdoor services too.

## AV & Livestream Volunteers Needed

**We are in great need for more AV and livestream volunteers,** especially during the year when we have two services. We thank the current volunteers for their dedication to ensuring we have coverage each week. Please let the church office know if you are willing to be trained and help out. The more volunteers, the less work it is each month for everyone. If you are trained already, please use the QR code to sign up for slots this summer.

## Acolyte Sign Up

All students in Grade 5 or older are asked to sign up to acolyte throughout the year. Please use the QR code to see which dates work with your schedule. Please check the schedule regularly as dates are continually added. Currently dates are available into the summer. For training or a refresher, contact Betsy Bauer.

## Special Congregational Meeting Update

On Sunday, June 8, 2025, we held a Special Congregational Meeting after worship at 10:00am. We discussed the proposal to upgrade and replace our AV and Sound System.

Three votes were taken on the three options presented in this proposal. Option 1 passed overwhelmingly with a vote of 66-4. This means that the AV / Sound System replacement was approved up to \$85,796 in expenses. \$54,862.80 of the funds have been raised or promised toward the project. That leaves us with \$30,933.20 left to raise. If you are interested in helping with the fundraising, please consider giving an additional financial gift in your regular offerings designated to the AV/ Sound System project. (You can mark that on your envelope.) Option 2, to add an additional screen to the north side of the sanctuary, was rejected by a vote of 14-52. Note that not everyone voted for all options, so the vote totals vary. Option 3, to add a confidence monitor to the back of the church, was rejected by a one vote margin, 33-34. This is also an item that is not an urgent need, and it could be revisited as an option in the future due to the close vote and interest.

There was a lot of good discussion and suggestions that the committee will consider as the project moves forward. Robbyn Wilks anticipates the approved project may be completed this fall. Any questions? Contact Robbyn Wilks.

Thank you for supporting this project, and we hope you will be able to assist with raising the remaining funds needed to complete the entirety of Option 1. No gift is too small. Every donation helps! Thank you!

## Summer Sunday Bible Study

Pastor Robb is hosting a Summer Bible Study after worship on Sunday mornings at 10:15. This is open to anyone who is interested in discussing and learning about the Word of God as it is presented in the scriptures. The study is focused on the weekly Gospel lessons.

## Financial Update

Thank you to all our members who have grown in your regular offerings to our ministry. Your generosity and commitment allow us to focus on worship and ministry opportunities. If you have not yet considered growing in your offering to North Cape, please take some time to join our members who have increased their financial support of our congregation.

Below, you will see our offerings and expenses for April and May. Through May, our offerings for General expenses have been nearly equal to our expenses. Our expenses in June will increase over previous months as we will be sending Mission Support for the first 5 months of the year to our Synod and the various other ministries we support.

Intentional, planned, regular, and generous offerings will make all the difference for North Cape this year. According to our annual Ministry Plan, our expenses average nearly \$6,300 per week. Thank you.
