

American Bullies Against Bullying

Dear ABA Friend,

Celebrate ABA's 6th Anniversary of raising anti-bullying awareness by participating in our signature event. Founded in 2013, American Bullies Against Bullying (ABA), will be hosting our annual event on March 21, 2020 at the Expo Center at the South Florida Fairgrounds. This event will celebrate the human-animal bond while raising awareness and funds to benefit this great cause.

The show/event will feature a bully breed showcase from all over the world, live music, vendors and artisans, interactive games for pets and children, canine demonstrations, a silent auction, raffle items, contests, seminars, and more. There will be plenty of space to enjoy activities and relax in the beauty of the 40,000 sq ft venue. This celebration will also provide a perfect opportunity to inform the organic patrons all about your businesses and services available from like minded professionals like you.

American Bullies Against Bullying is a privately funded 501(c)(3) non-profit, organization that has gained the trust of most bully breed registrations.

ABA mentoring program has been gaining recognition all over the world, we have been able to partner with State and local municipal officials, schools, and community outreach programs because of its non traditional approach to use bully breeds to raise awareness to bullying.
